

Atlas des odonates de Vendée

Quelles prospections pour 2021 ?

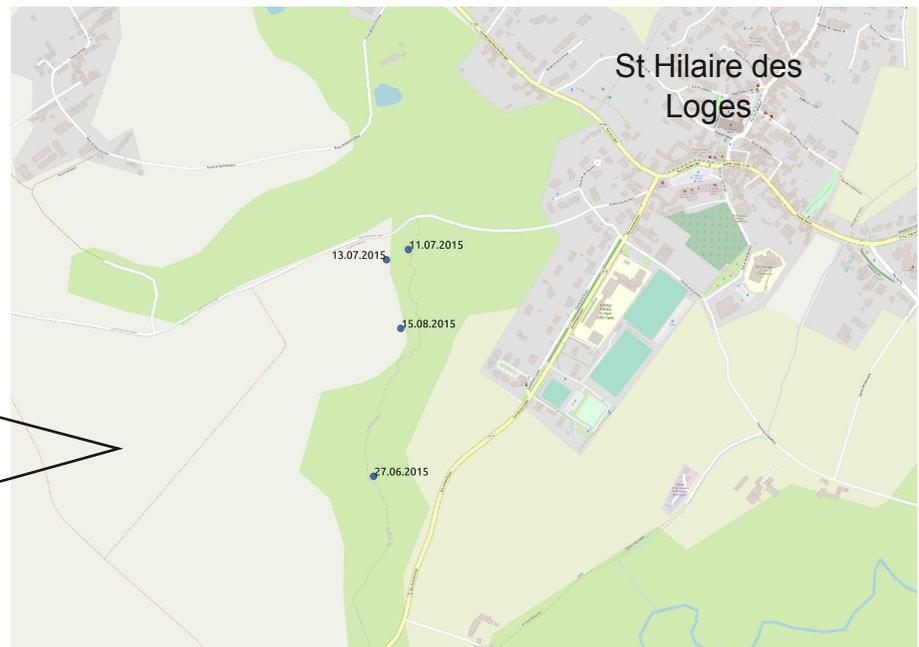

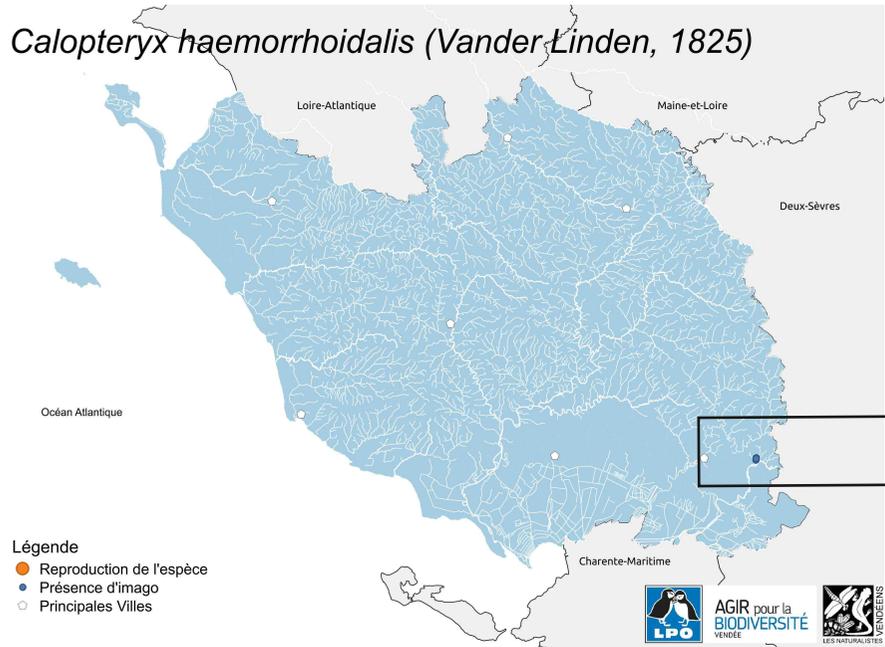

Ce document est réalisé en utilisant les données récoltées et validées par Mathieu MONCOMBLE et Christian GOYAUD dans le cadre de l'Atlas des odonates de Vendée par l'association Les Naturalistes Vendéens et la L.P.O. Vendée.

Ce document intermédiaire, de travail, est produit pour orienter et affiner les prospections en 2021.

Calopterygidae - *C. haemorrhoidalis*

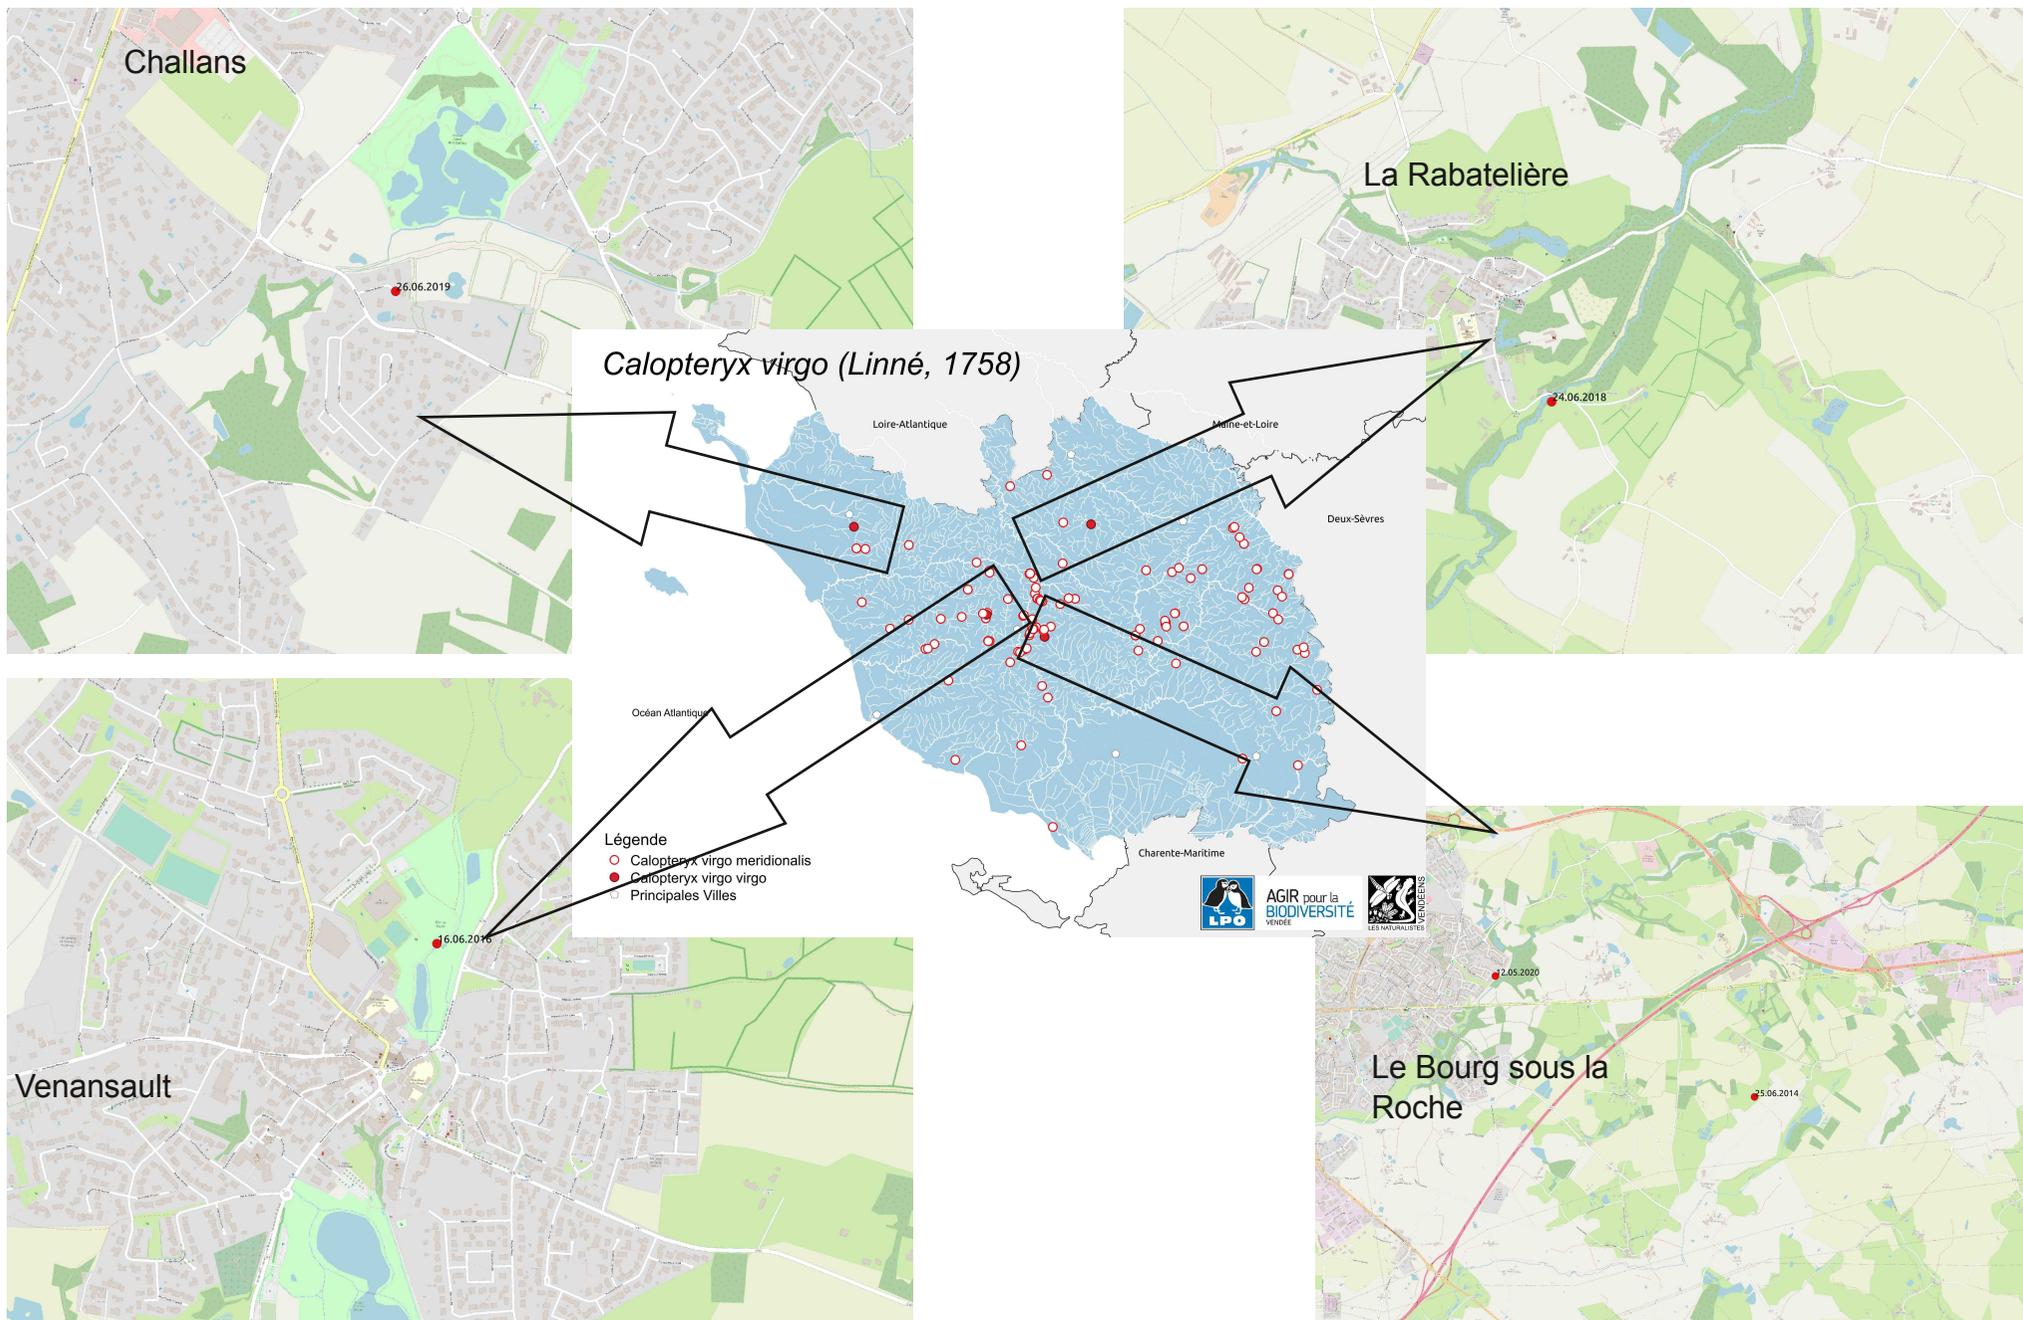

Observations effectuées par Gérard BESSEAU. Le site fut prospecté par la suite par Mathieu MONCOMBLE et Christian GOYAUD sans recontacter l'espèce.

Calopterigidae - *C. splendens* et *C. virgo*

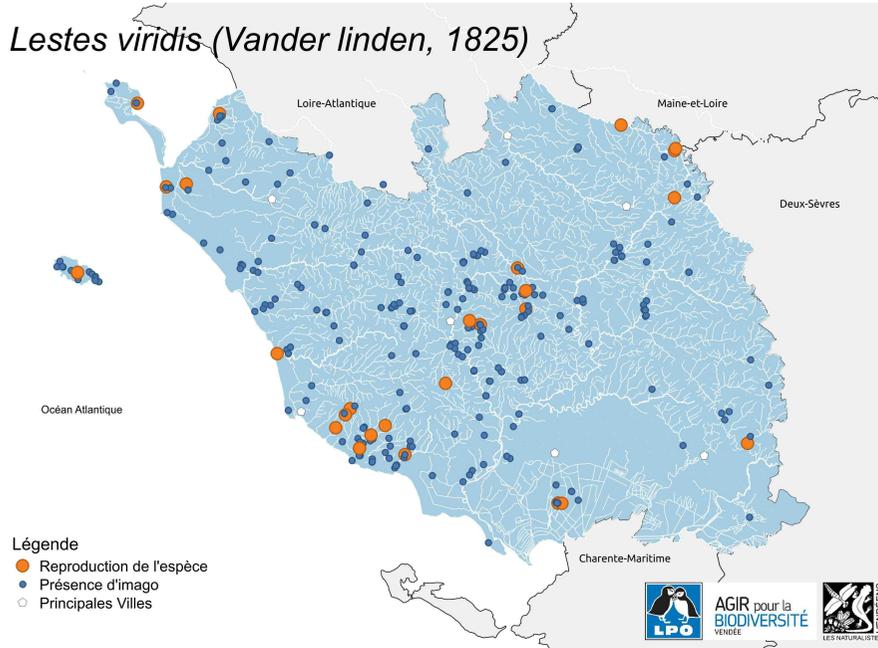

Quelques observations de *C. virgo virgo* sont notées, il serait utile de retourner sur ces sites.

Calopterigidae - Les observations de *C. virgo virgo*

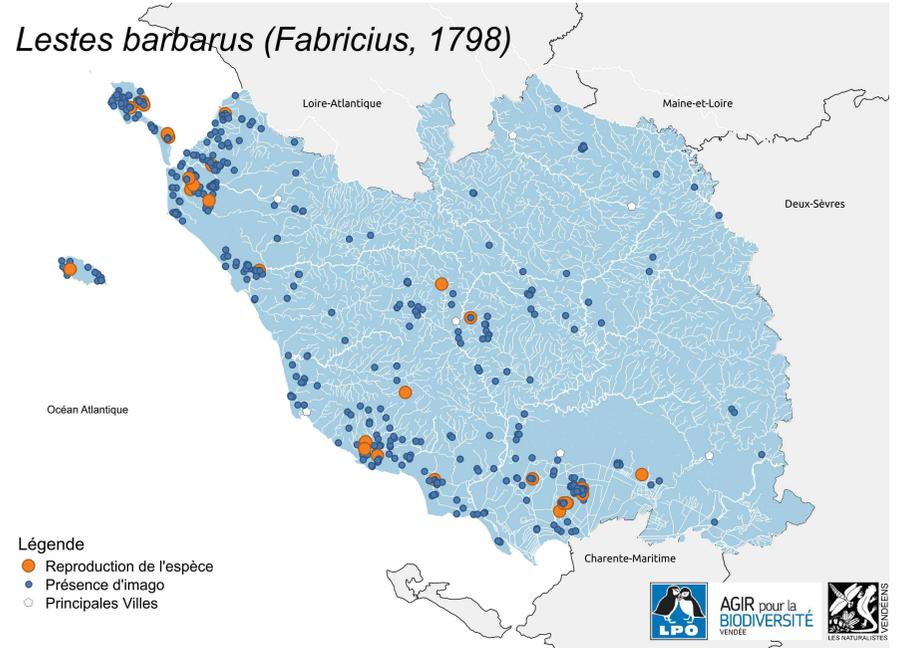

Lestidae - Lestes

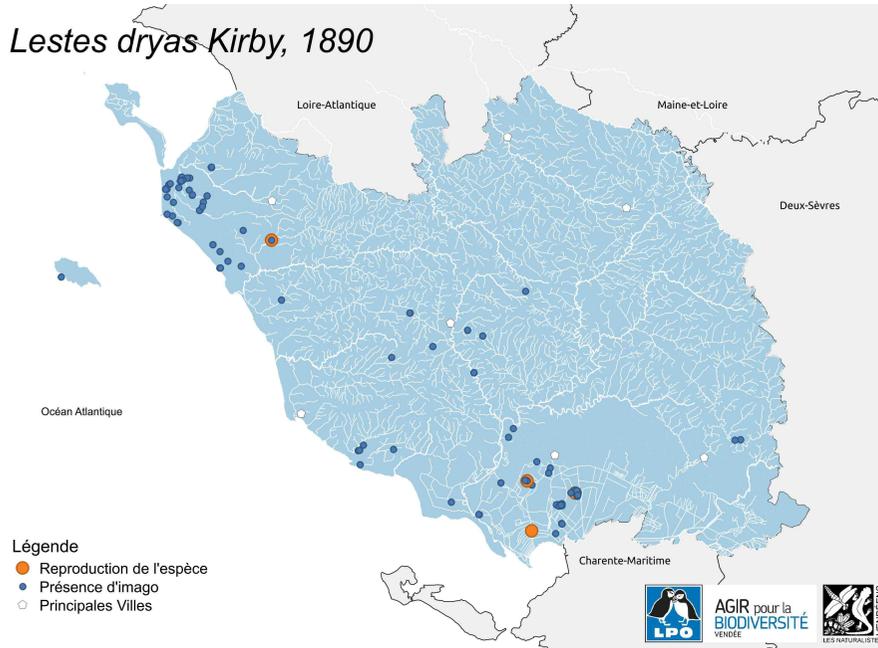

Lestes viridis (Vander Linden, 1825)

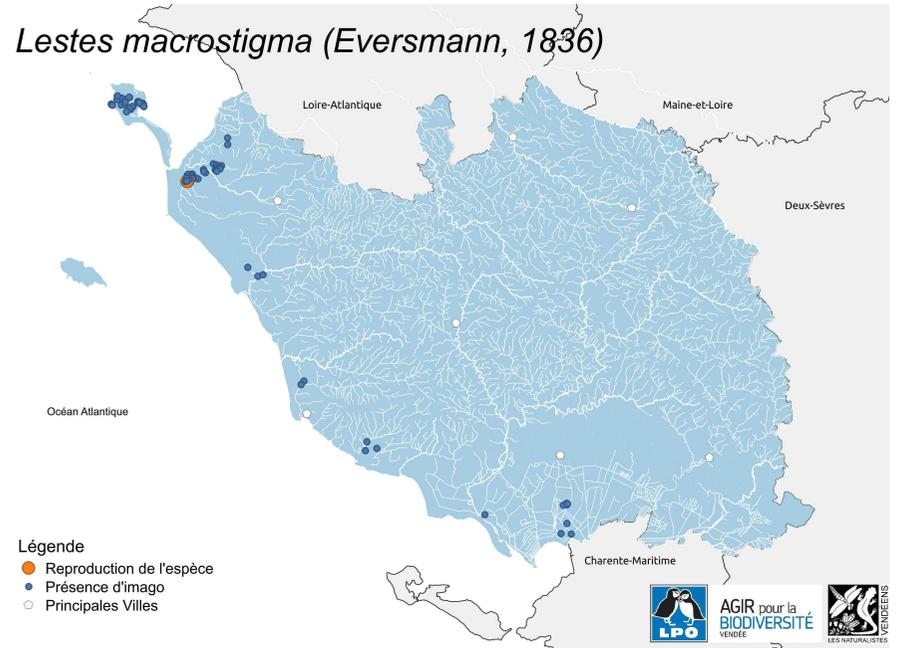

Lestes barbarus (Fabricius, 1798)

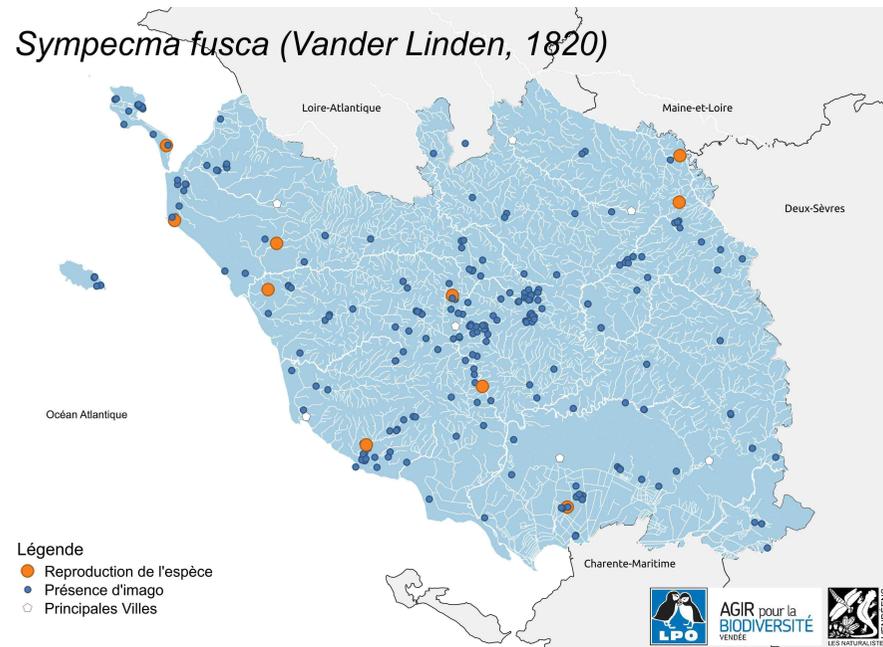

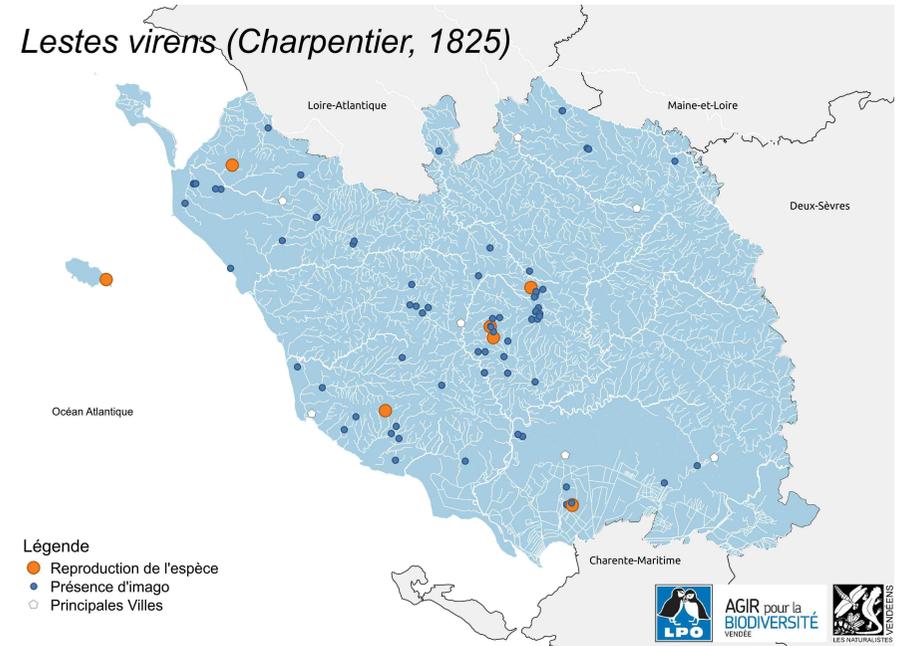

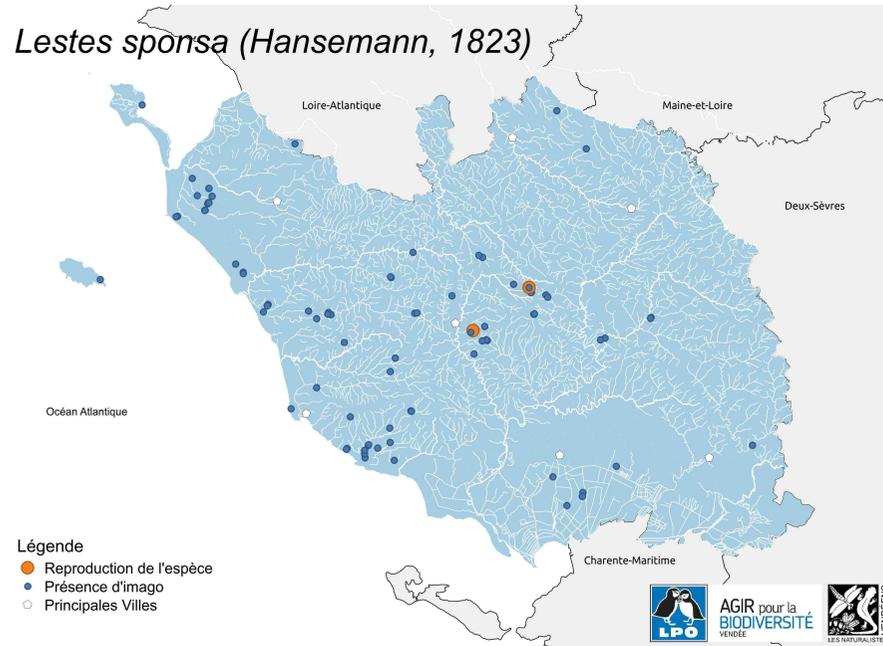

Lestes dryas Kirby, 1890

Lestes macrostigma (Eversmann, 1836)

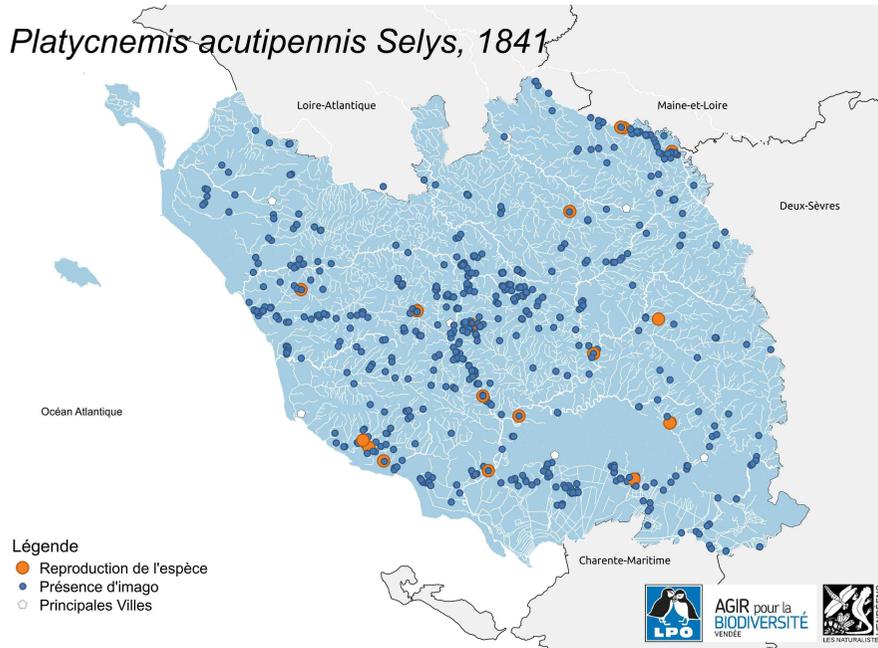

Lestidae - Lestes - Sympecma

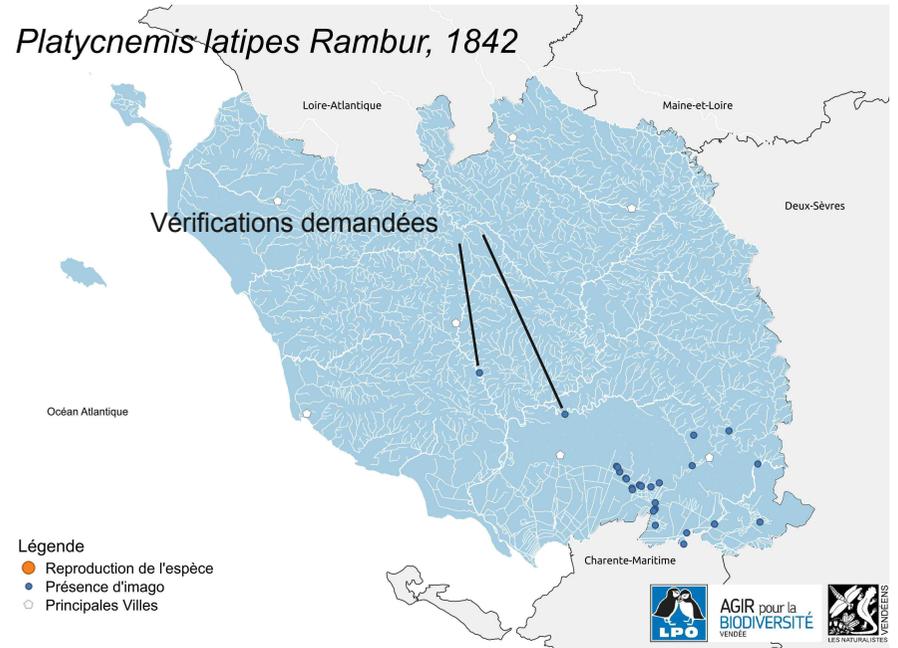

Platycnemididae - Platycnemis

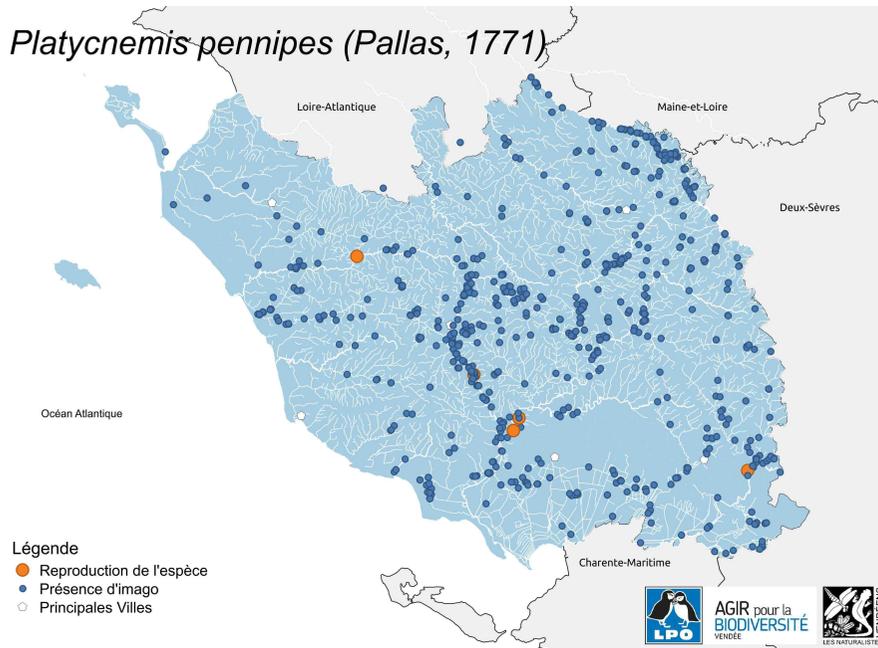

Platycnemis acutipennis Selys, 1841

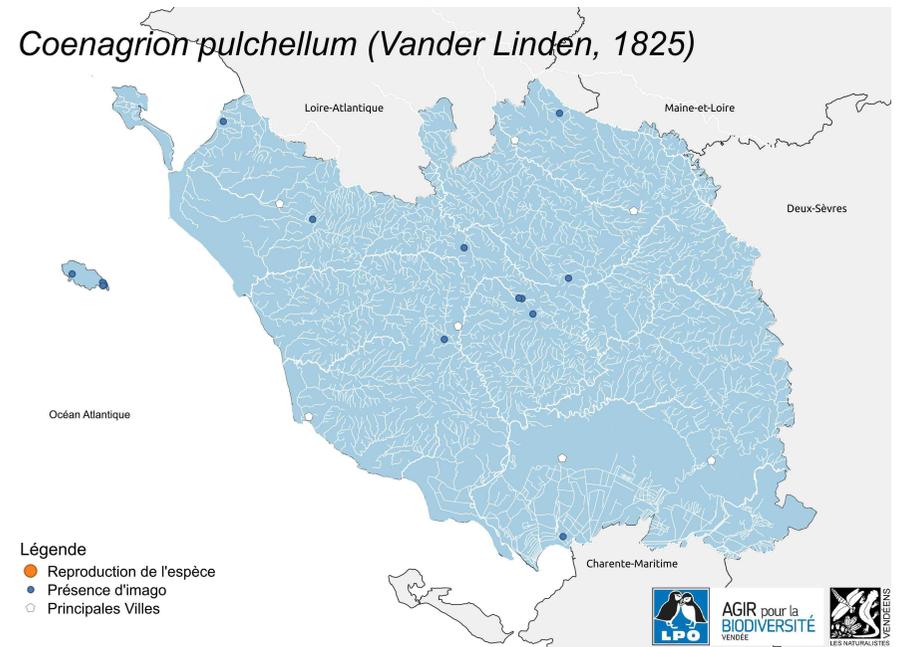

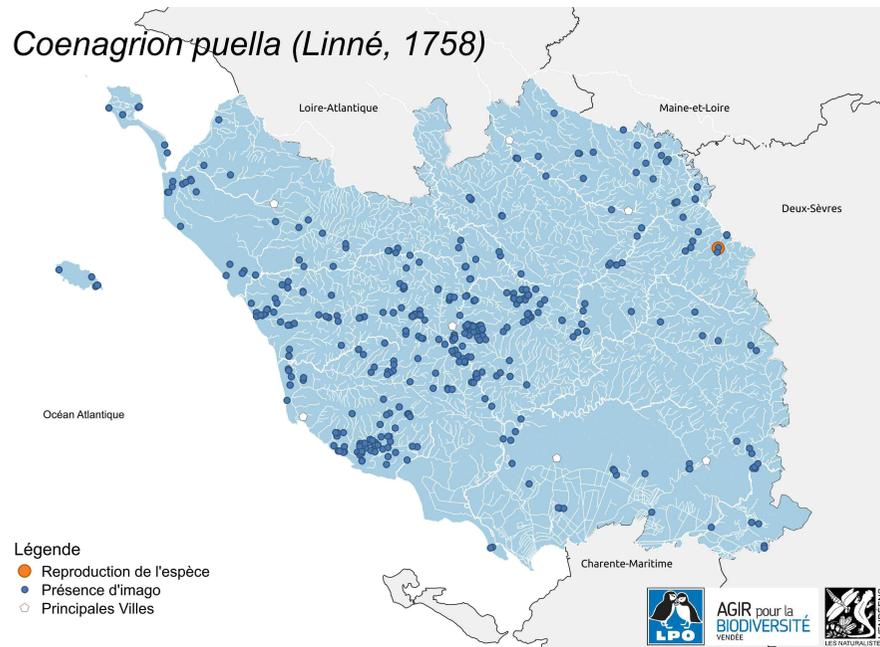

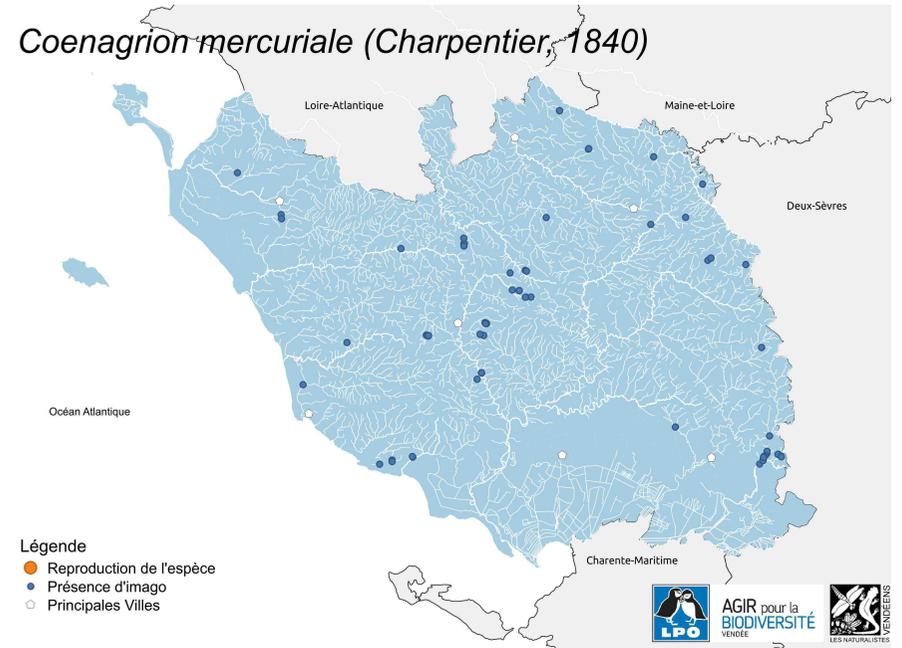

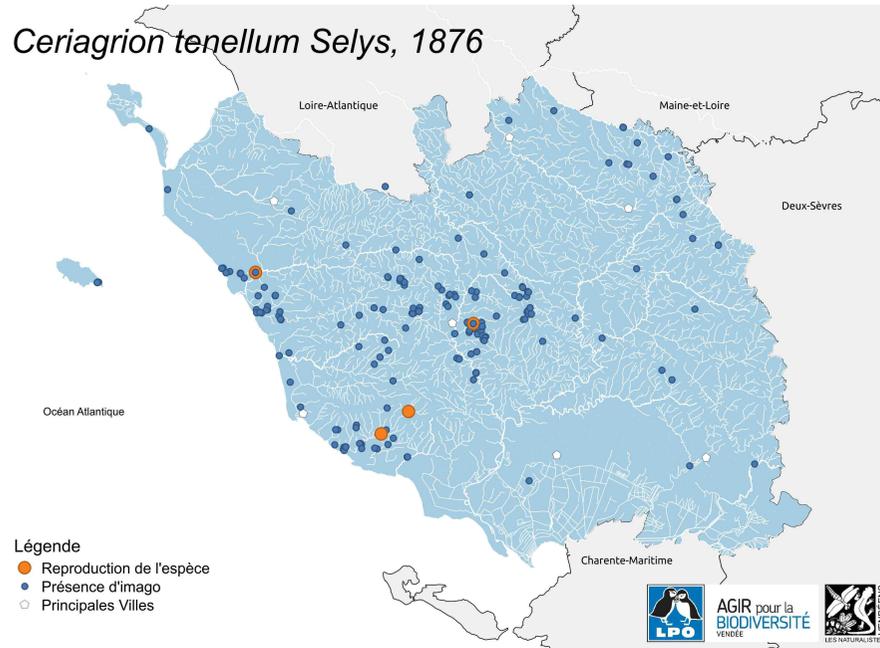

Platycnemis latipes Rambur, 1842

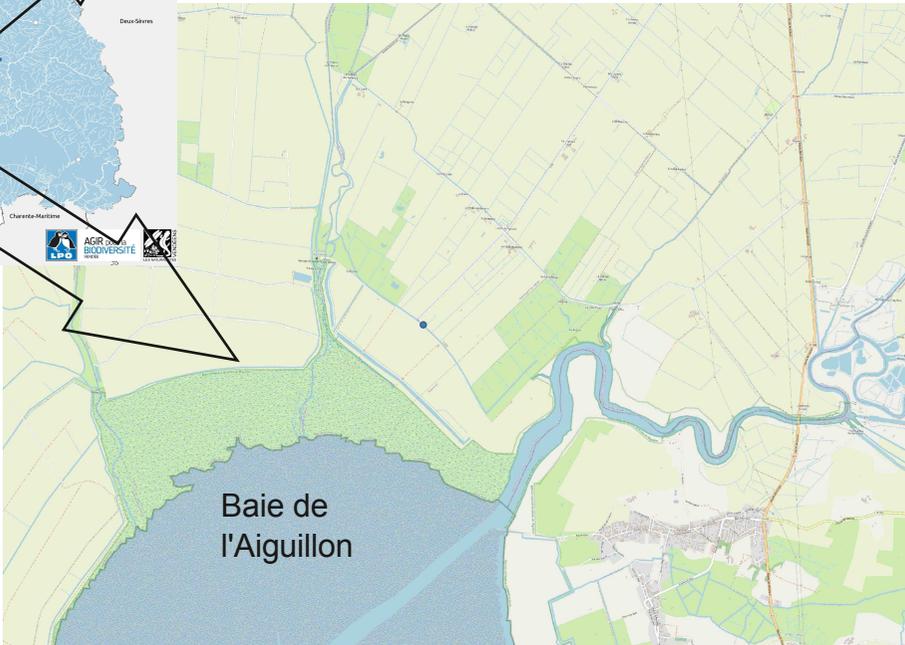

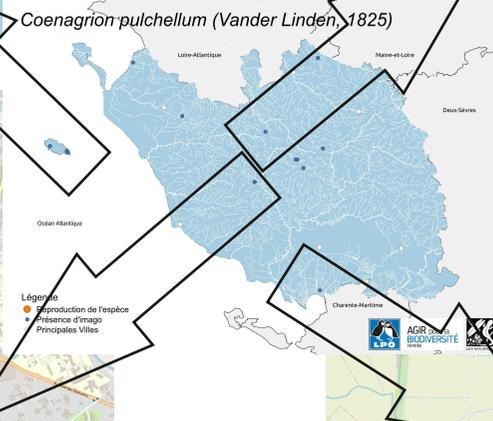

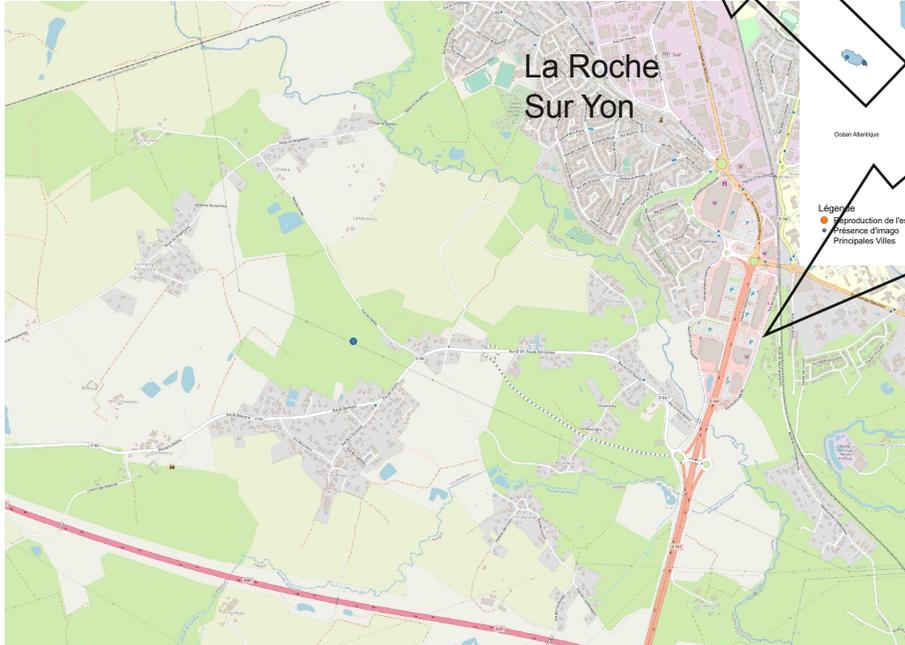

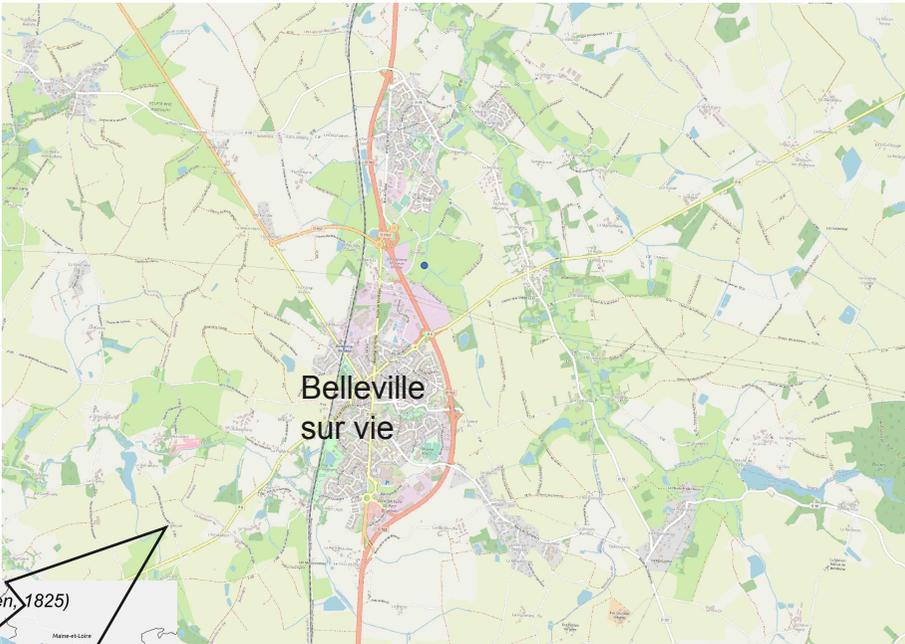

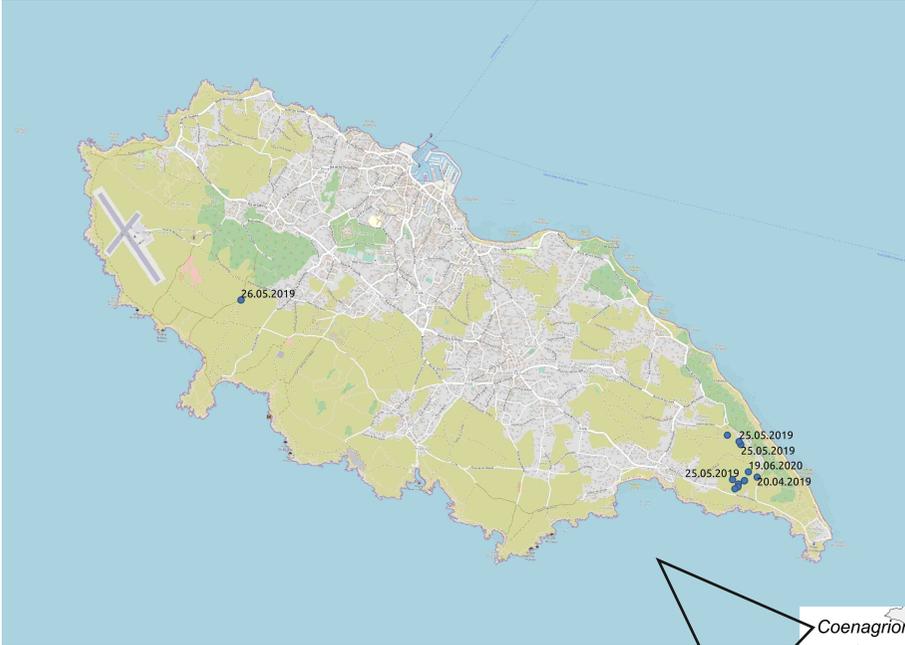

Platycnemis pennipes (Pallas, 1771)

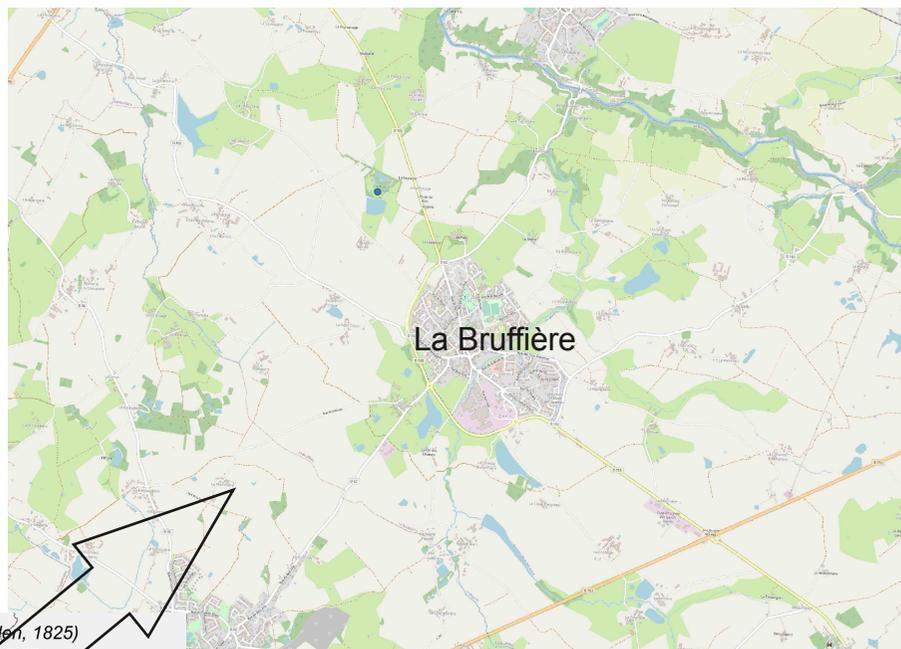

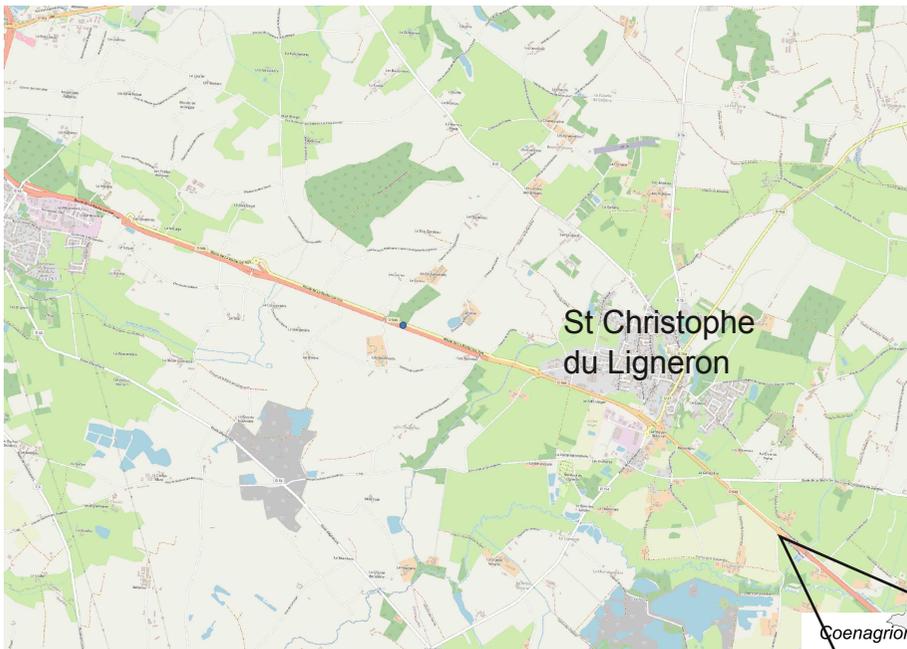

Coenagrionidae - *Ceriagrion* Coenagrion

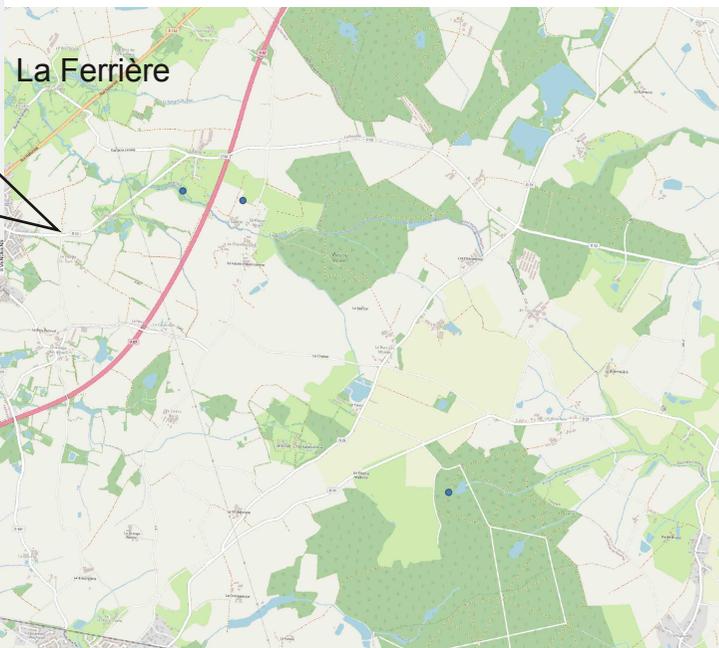

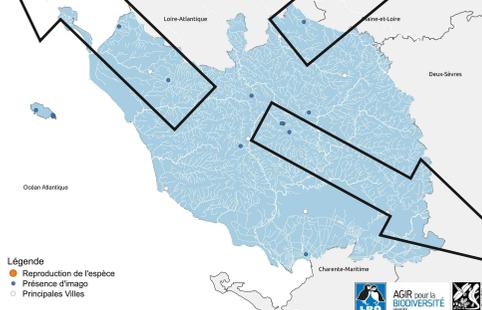

Coenagrionidae - *Coenagrion pulchellum* (Vander Linden, 1825)

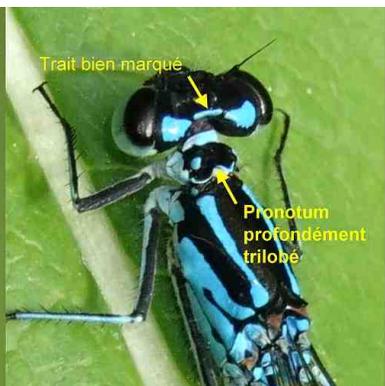

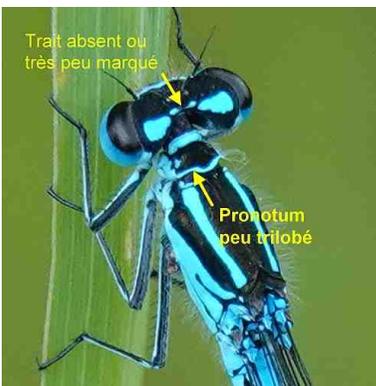

Coenagrionidae - *Coenagrion pulchellum* (Vander Linden, 1825)

Coenagrion pulchellum (Vander Linden, 1825)

Légende
 ● Reproduction de l'espèce
 ● Présence d'imago
 ○ Principales Villes

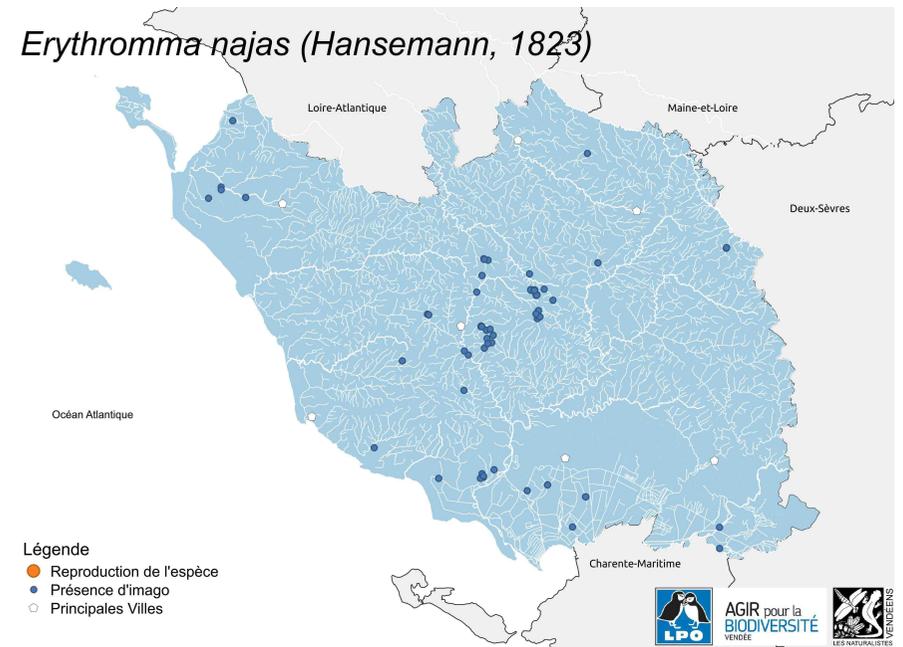

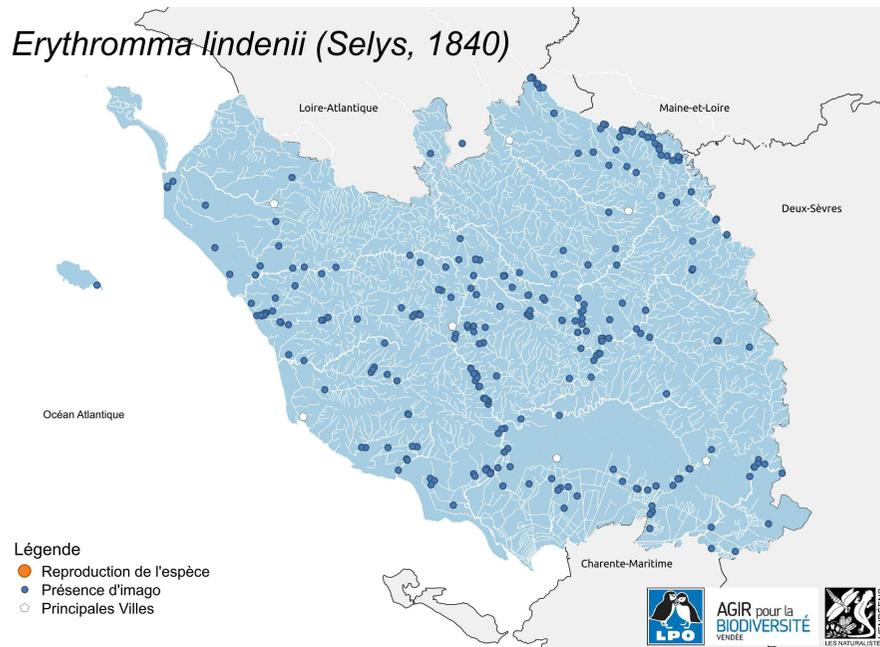

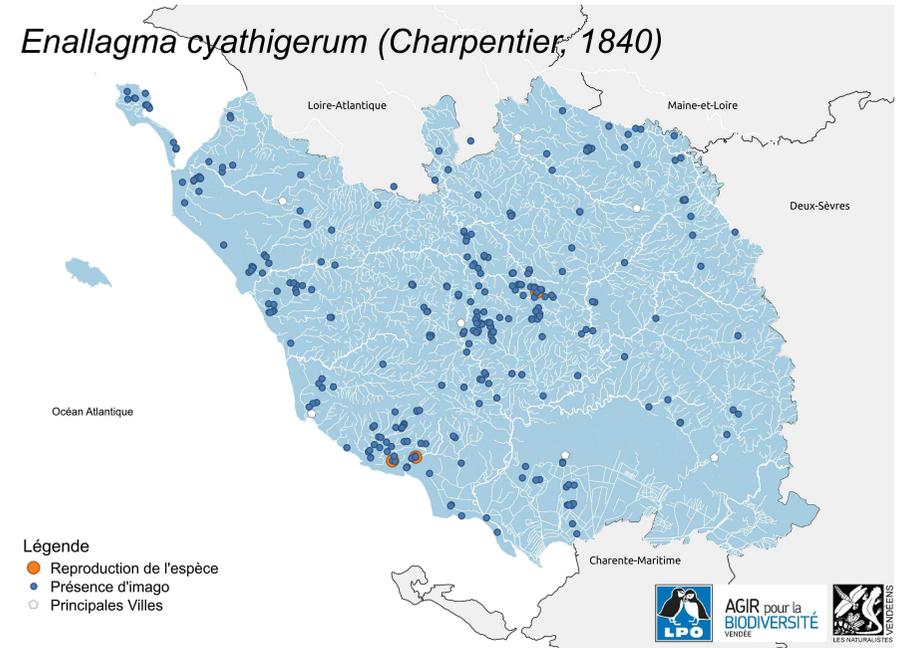

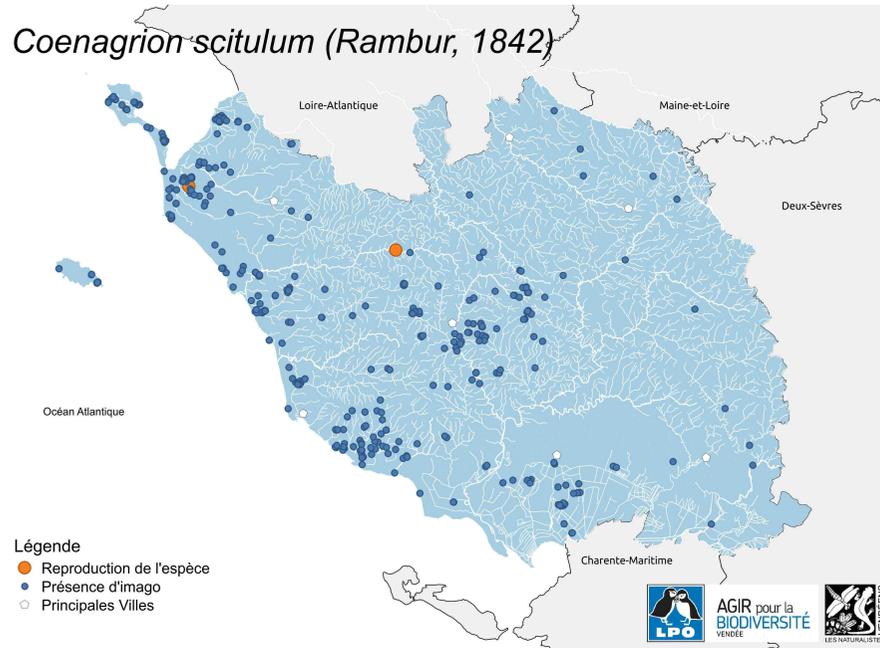

Coenagrion puella (mâle)

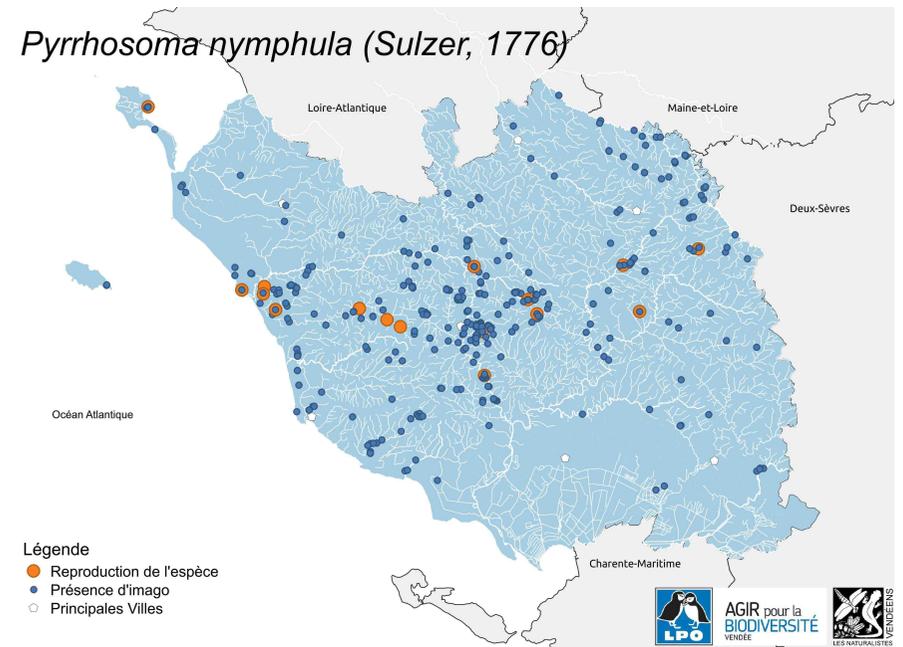

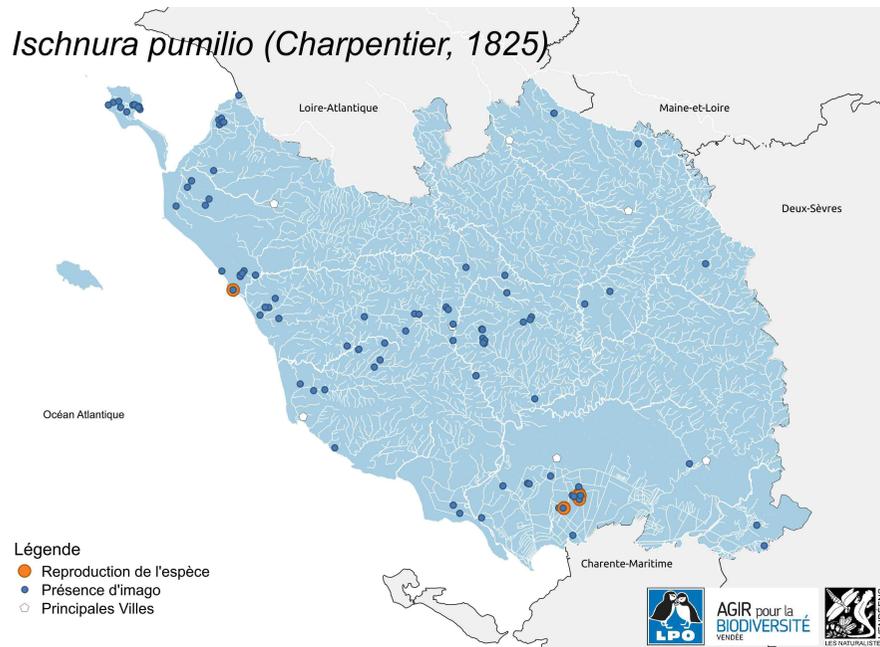

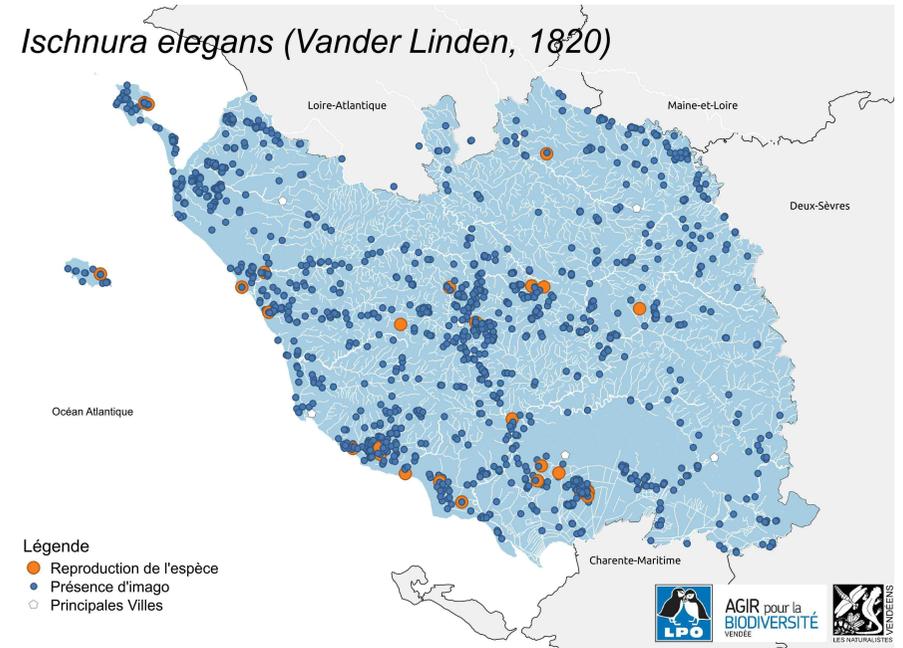

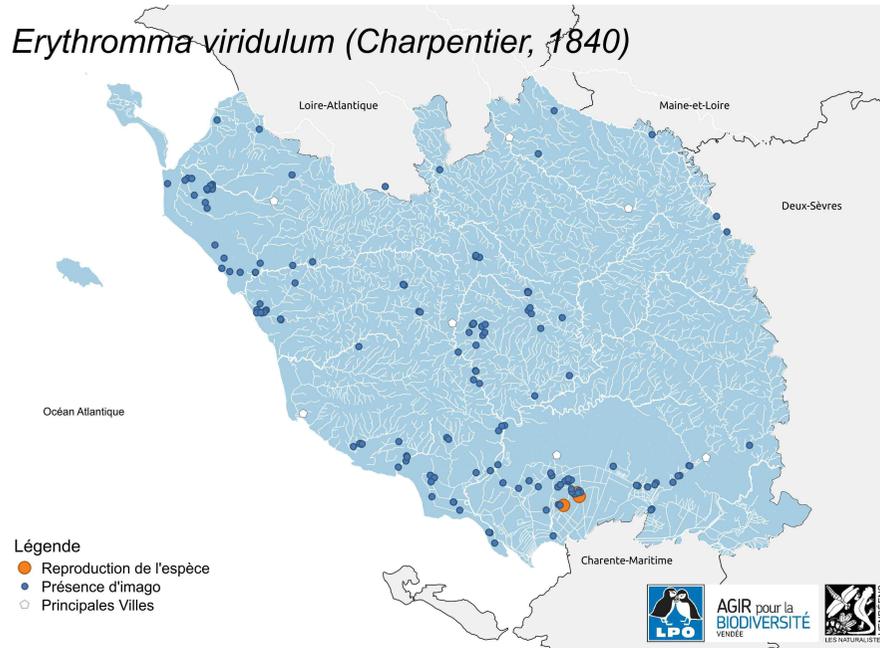

Coenagrion pulchellum (femelle)

Critères valables pour les deux sexes

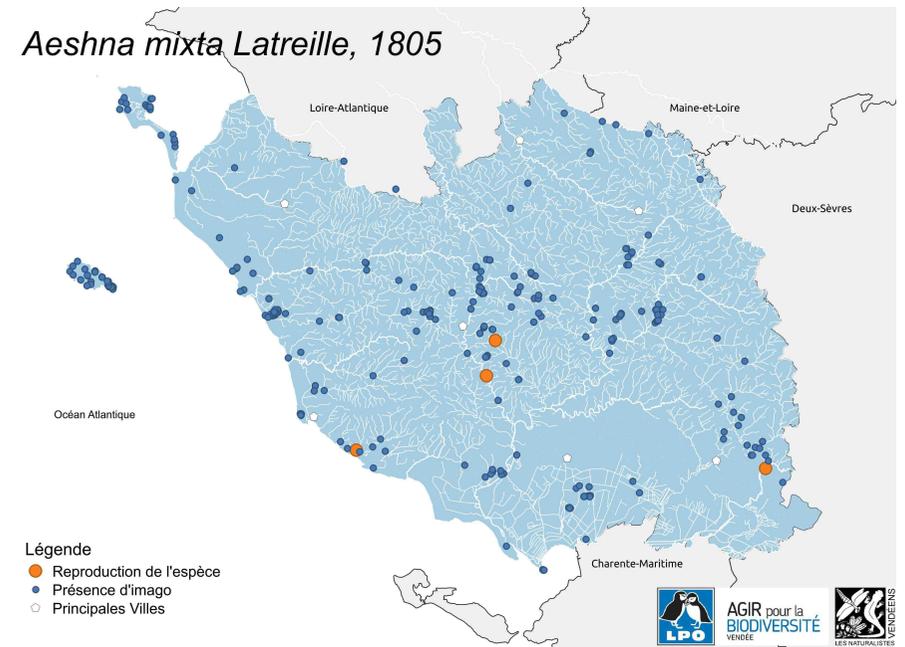

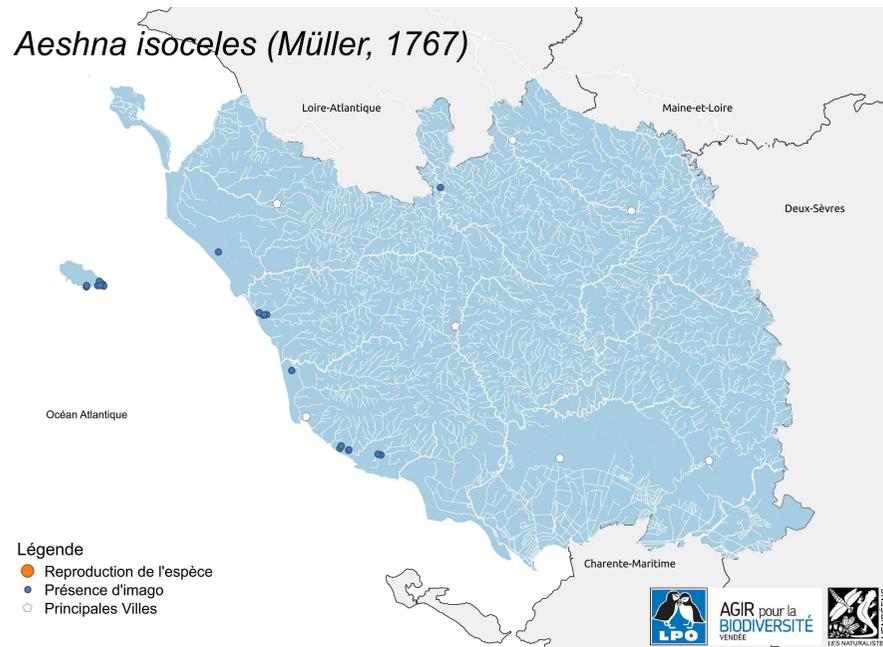

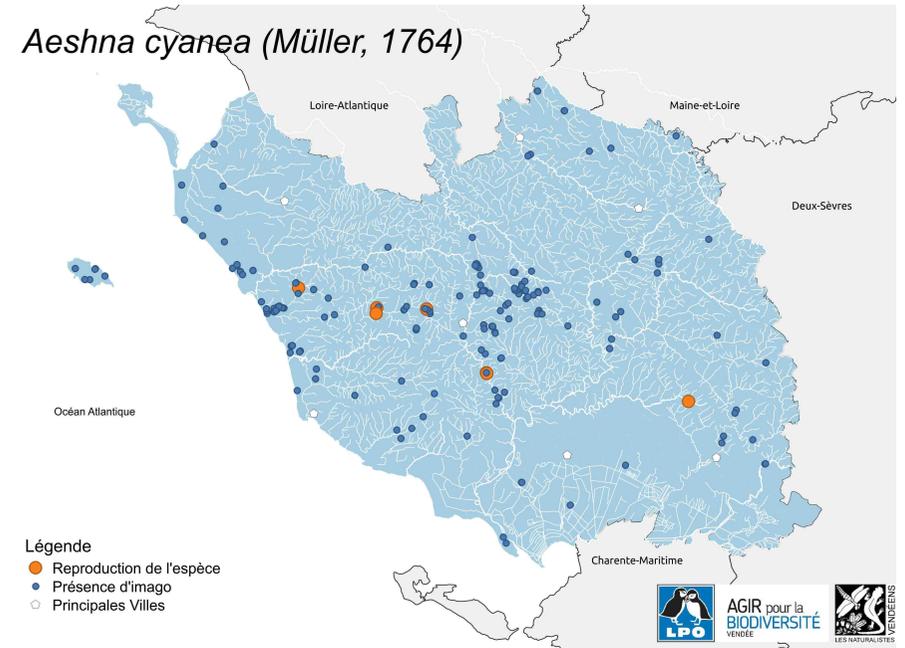

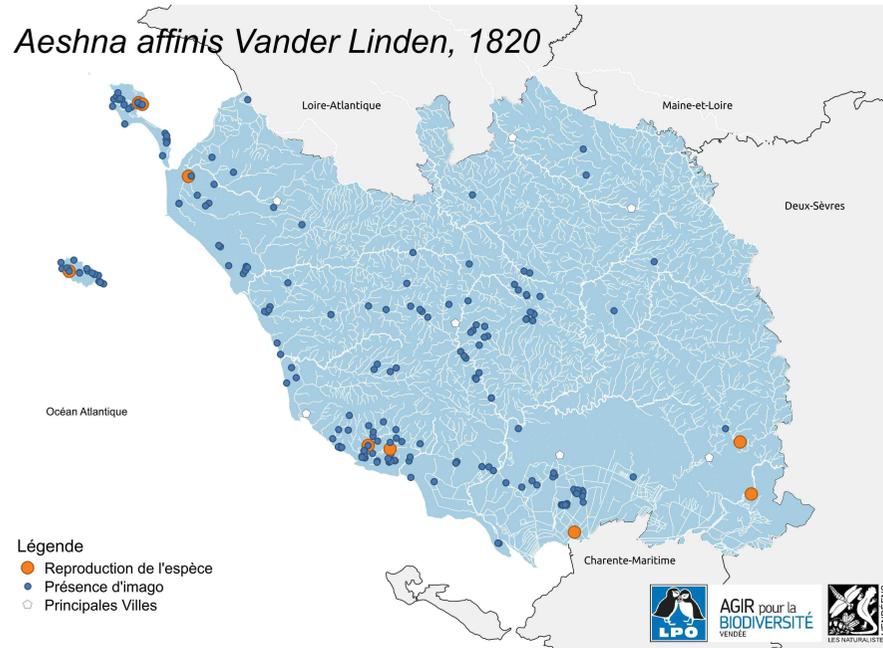

Coenagrionidae - Coenagrion Enallagma Erythromma

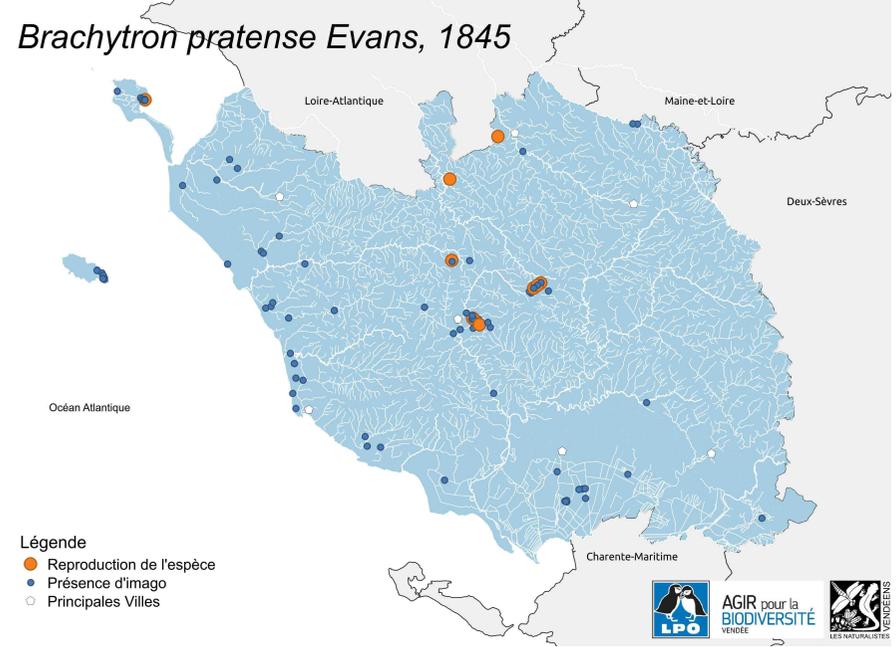

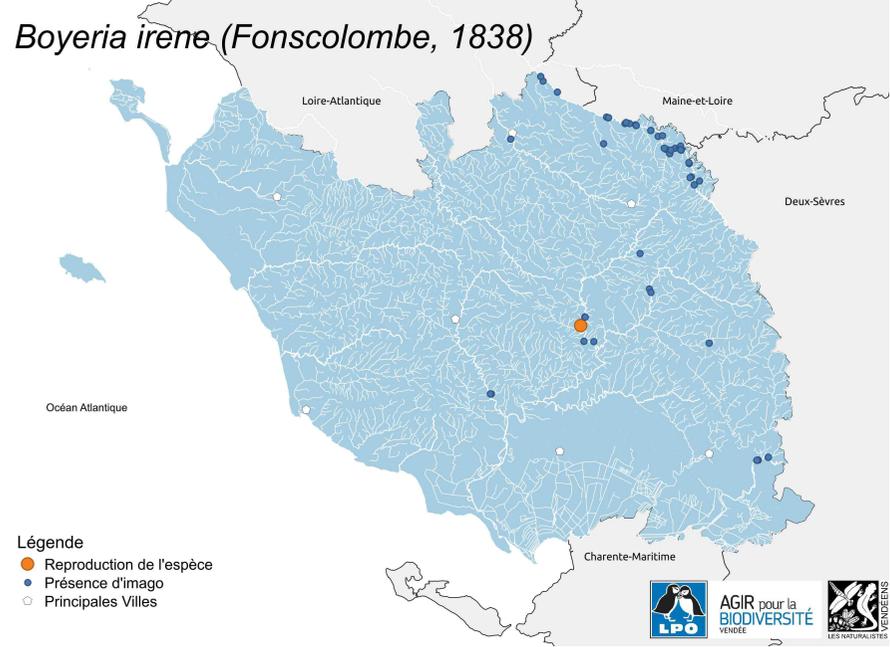

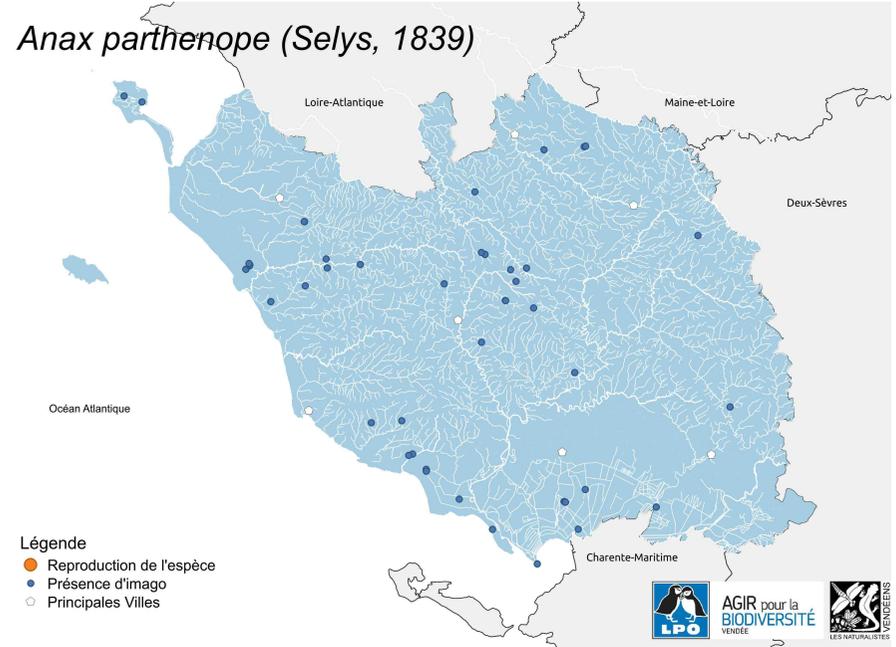

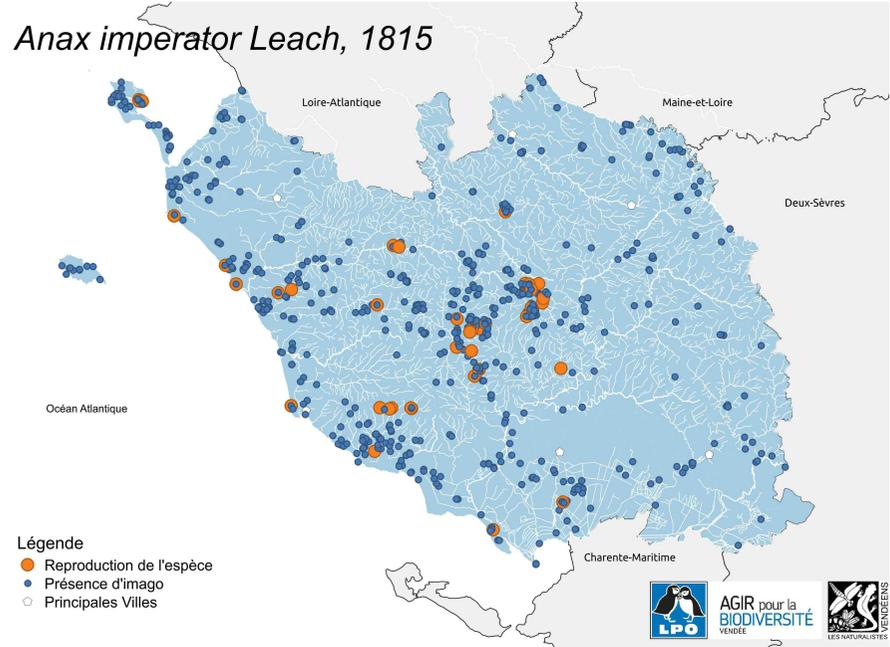

Coenagrionidae - Erythromma Ischnura Pyrrhosoma

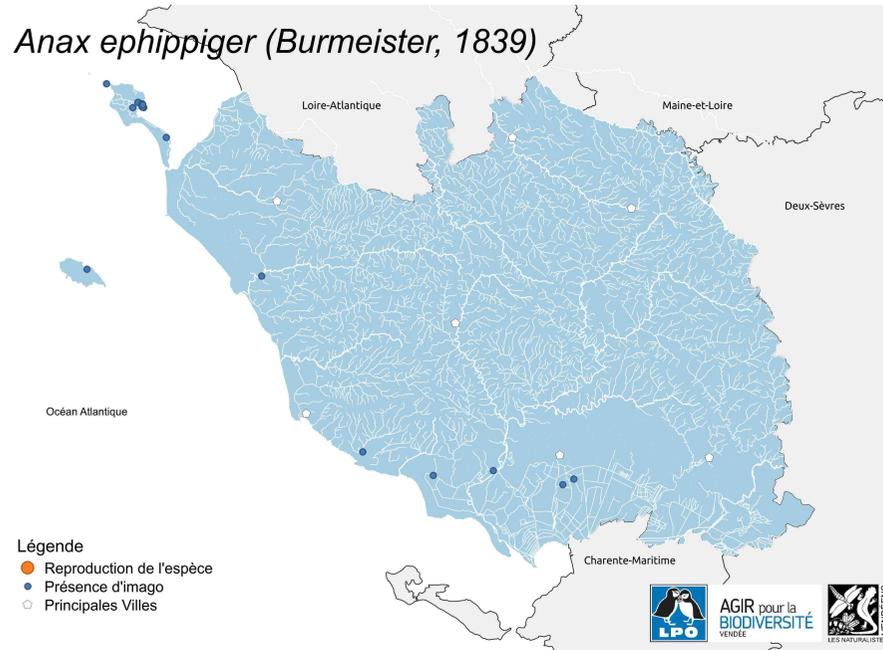

Aeshnidae - Aeshna

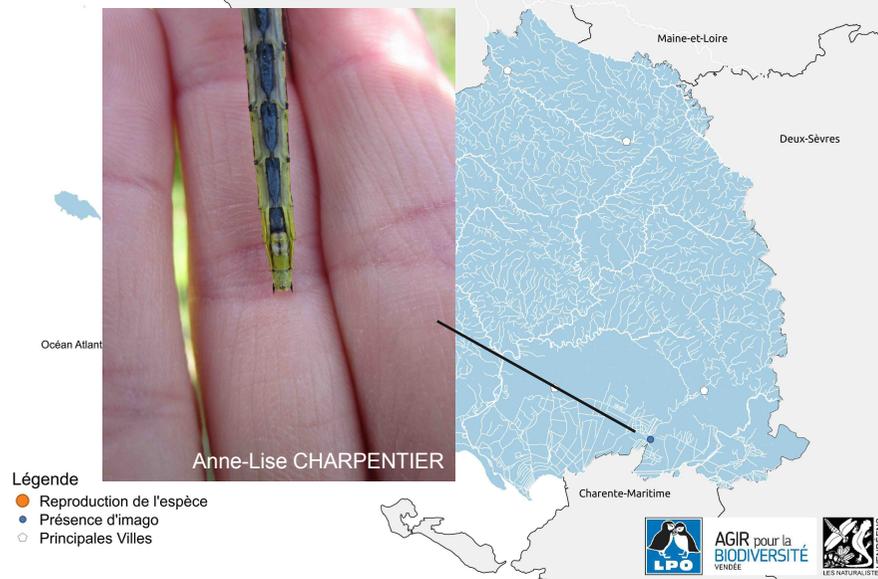

Aeshnidae - *Anax Boyeria Brachytron*

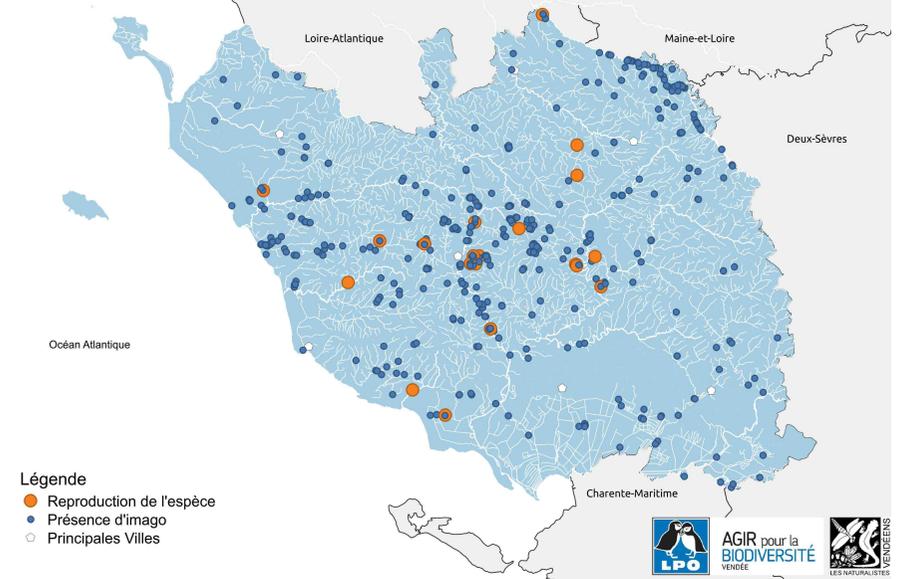

Gomphidae - Gomphus Onychogomphus

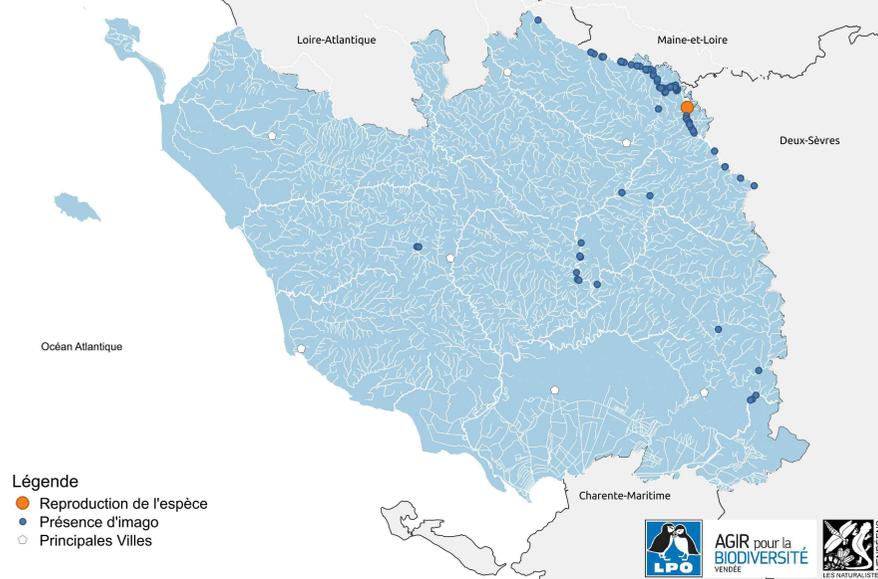

Gomphus graslinii Rambur, 1842

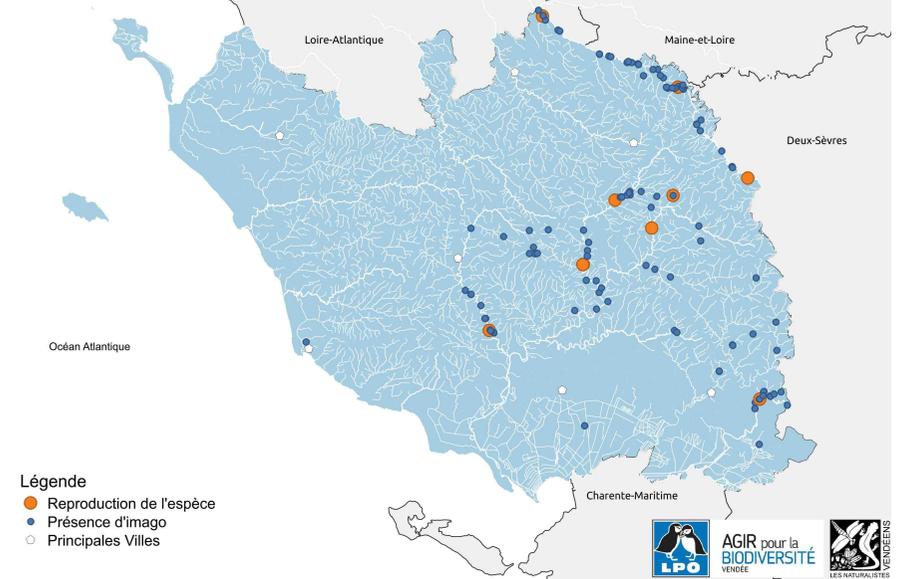

Gomphus pulchellus Selys, 1840

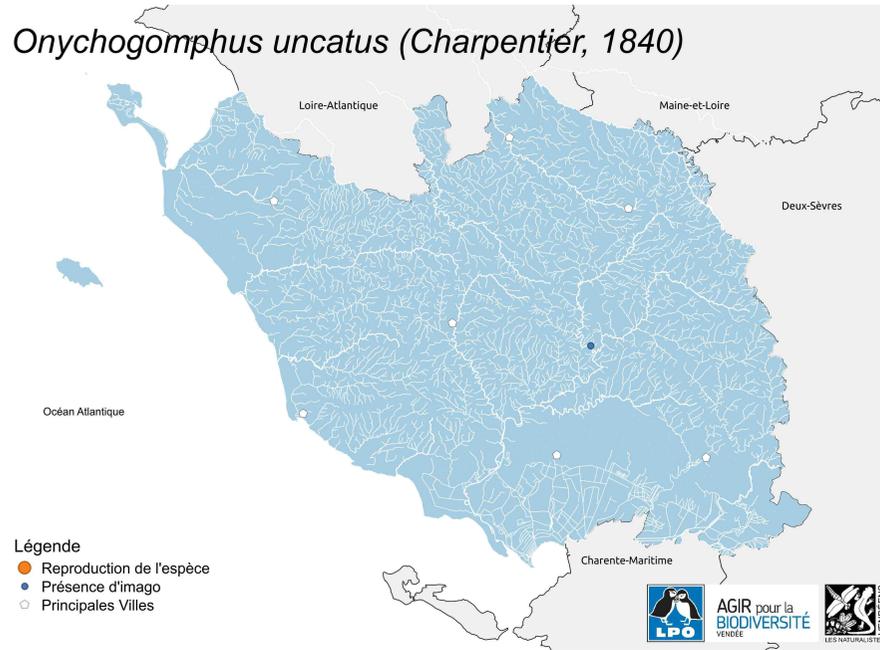

Gomphus vulgatissimus (Linné, 1758)

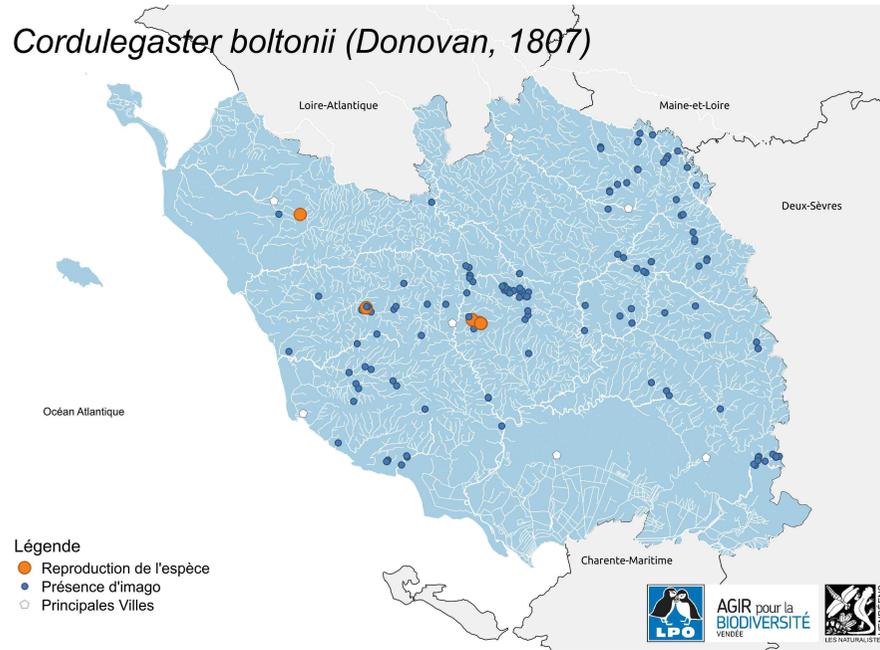

Onychogomphus forcipatus (Linné, 1758)

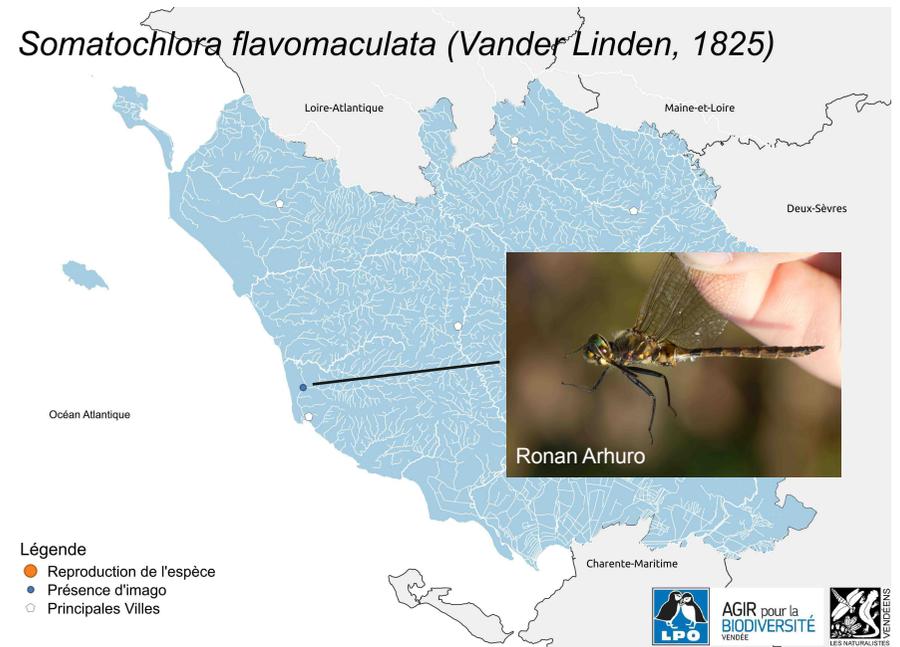

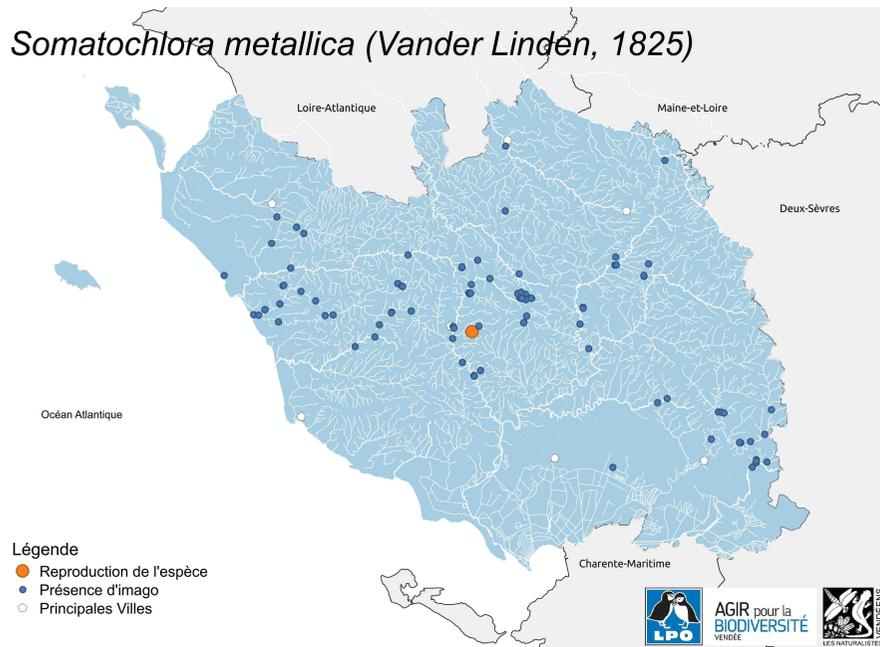

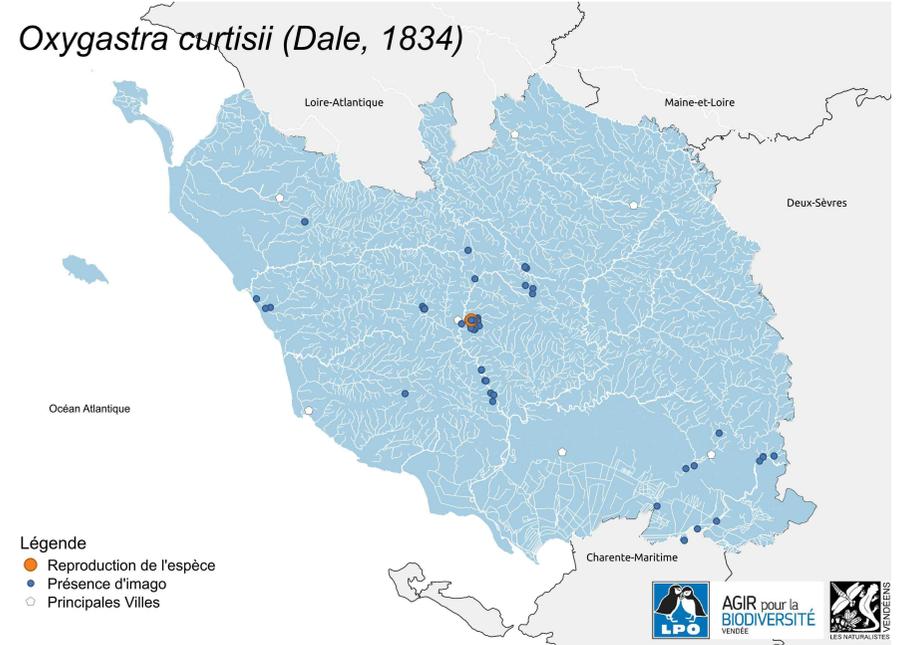

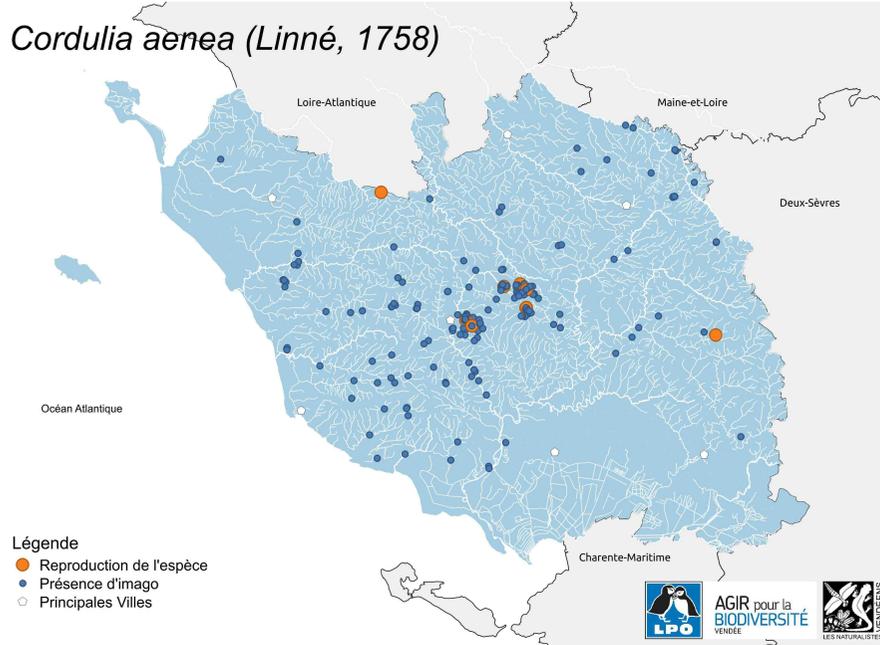

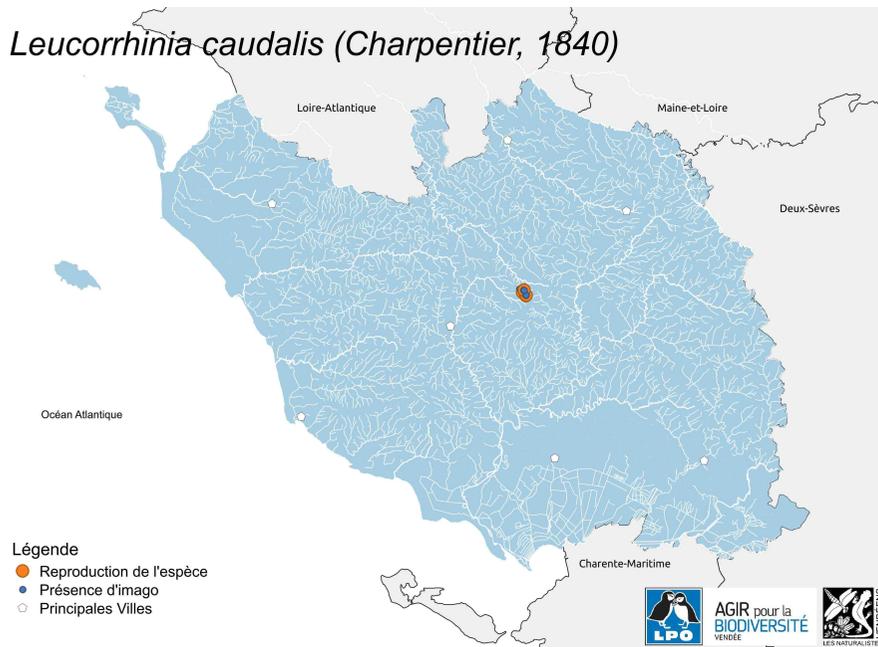

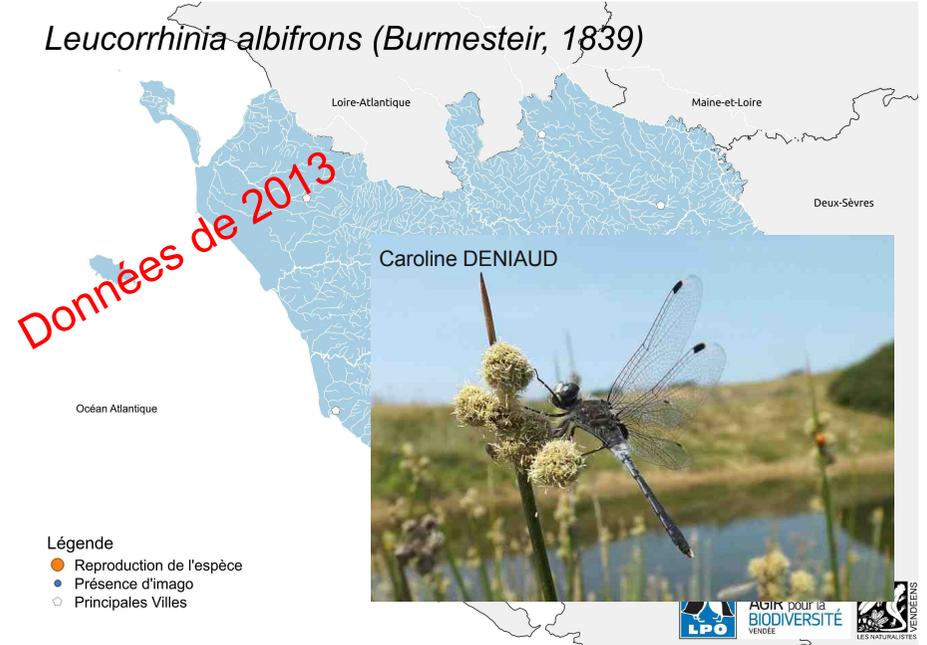

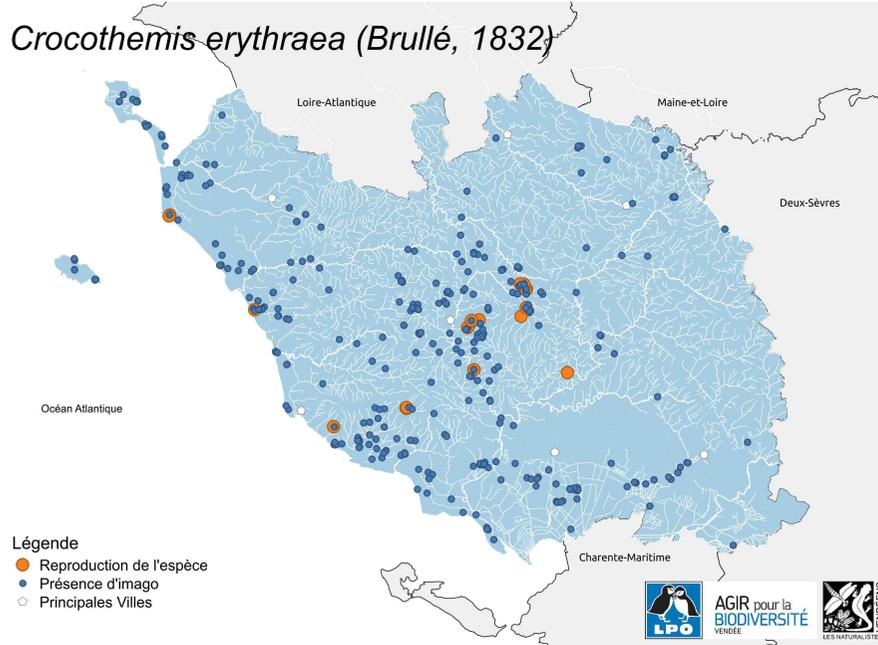

Cordulegastridae - *Cordulegaster boltonii*

Cordulidae - Cordulia Oxygastra Somatochlora

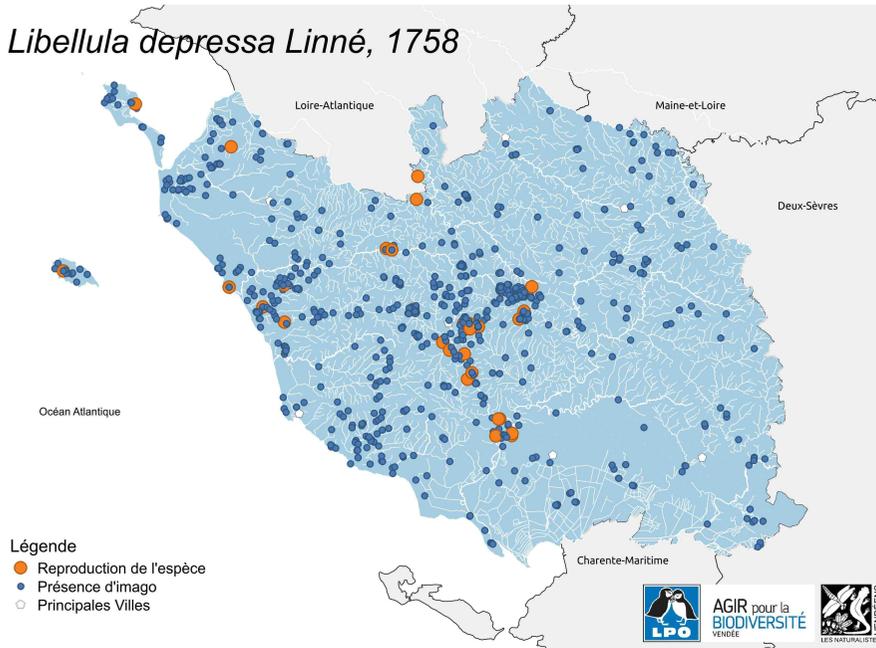

Libellulidae - Crocothemis Leucorrhinia

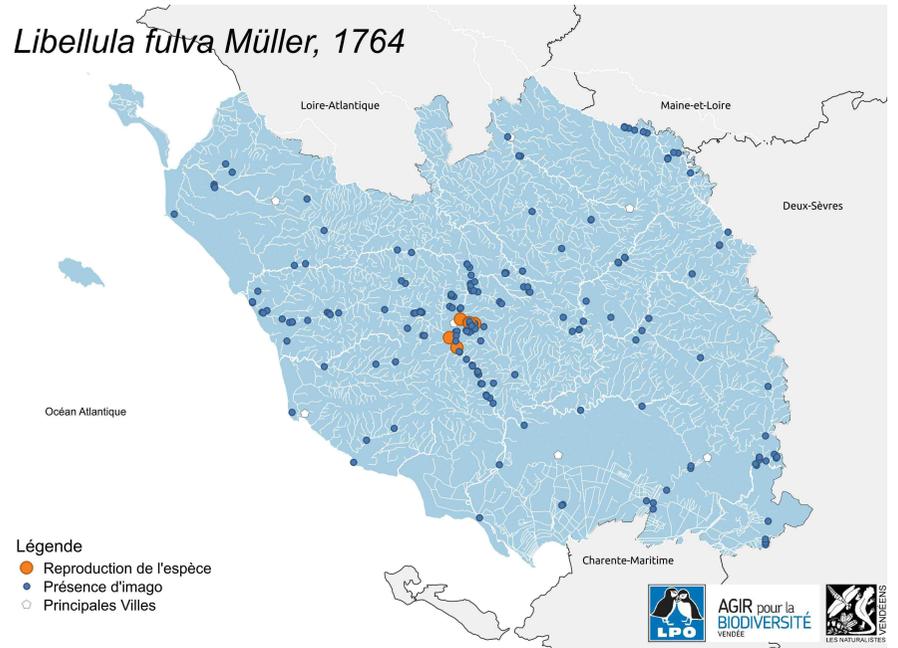

Libellulidae - Libellula Orthetrum

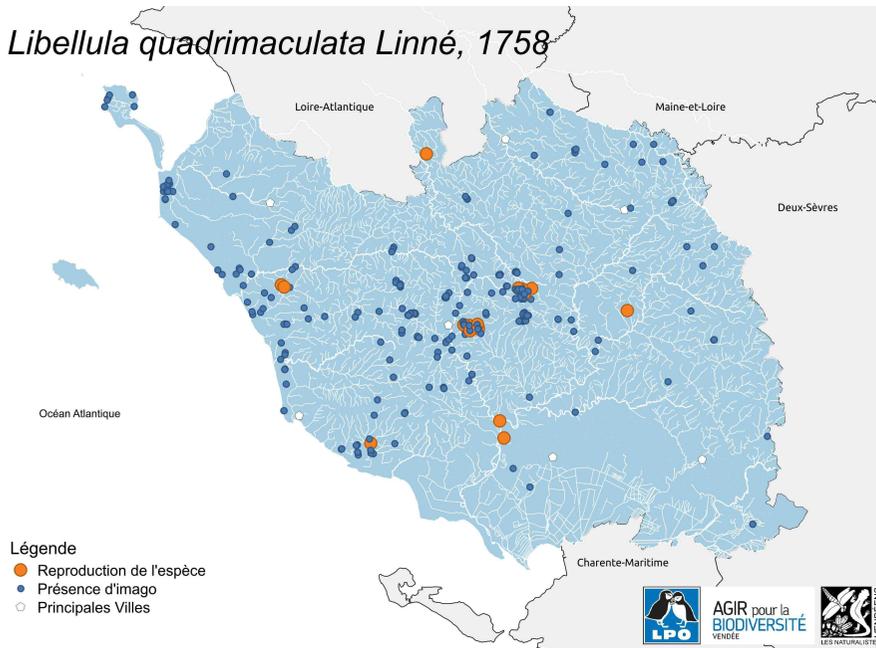

Libellula depressa Linné, 1758

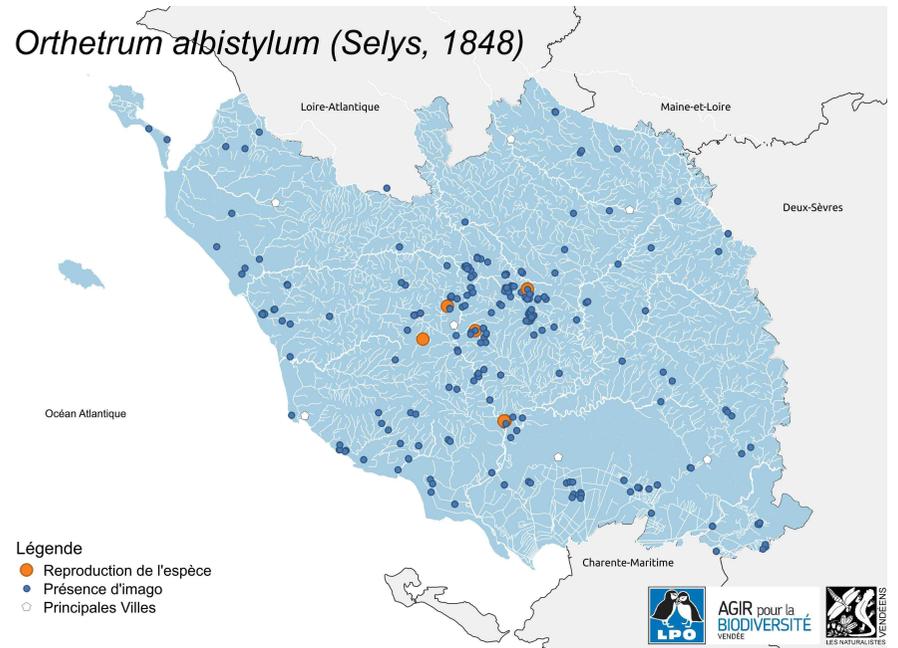

Libellula fulva Müller, 1764

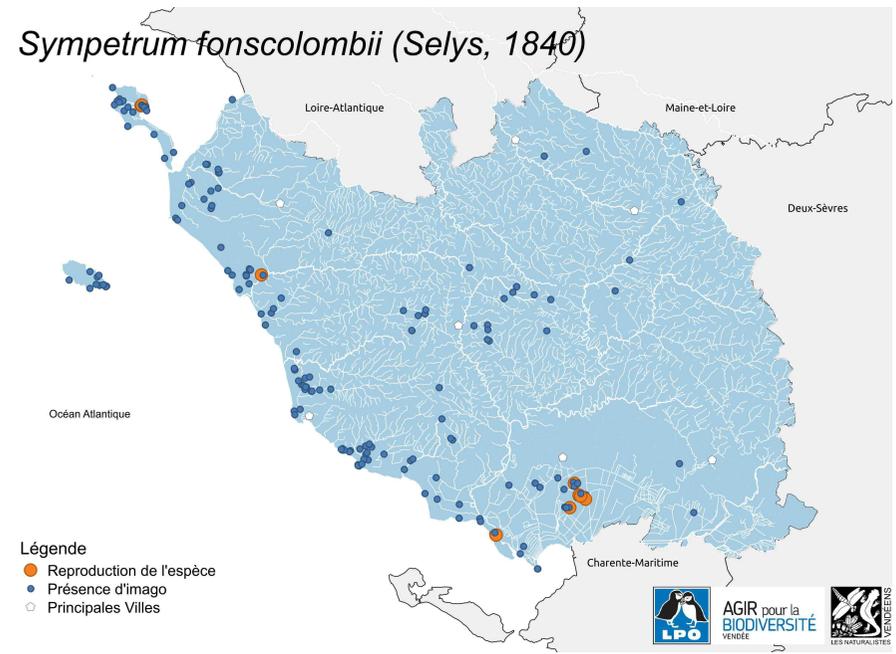

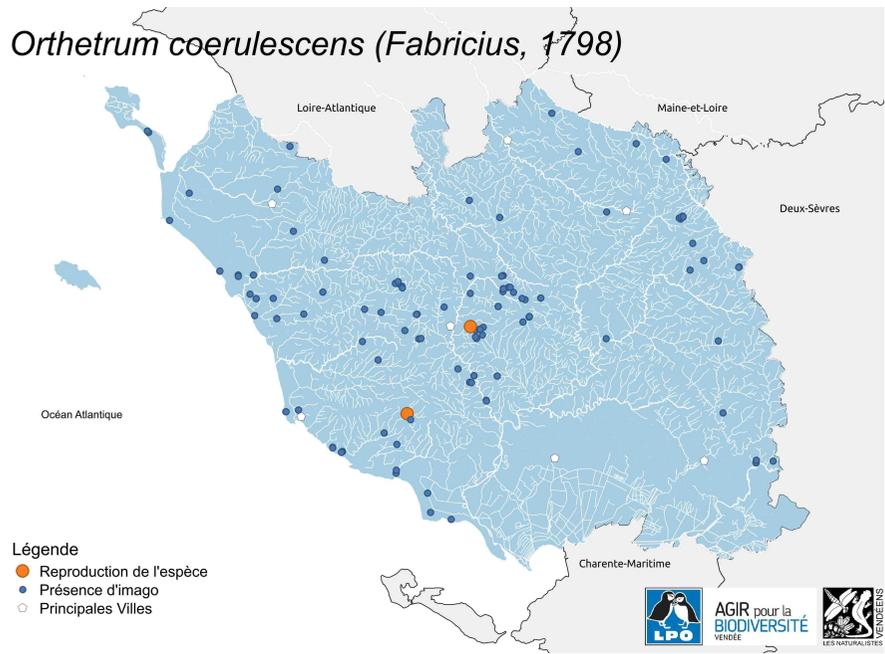

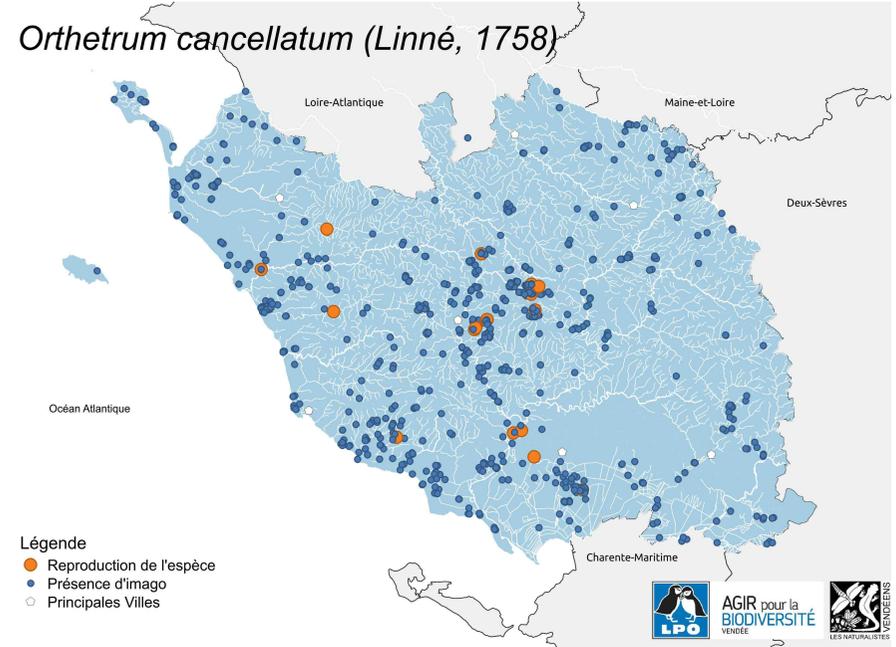

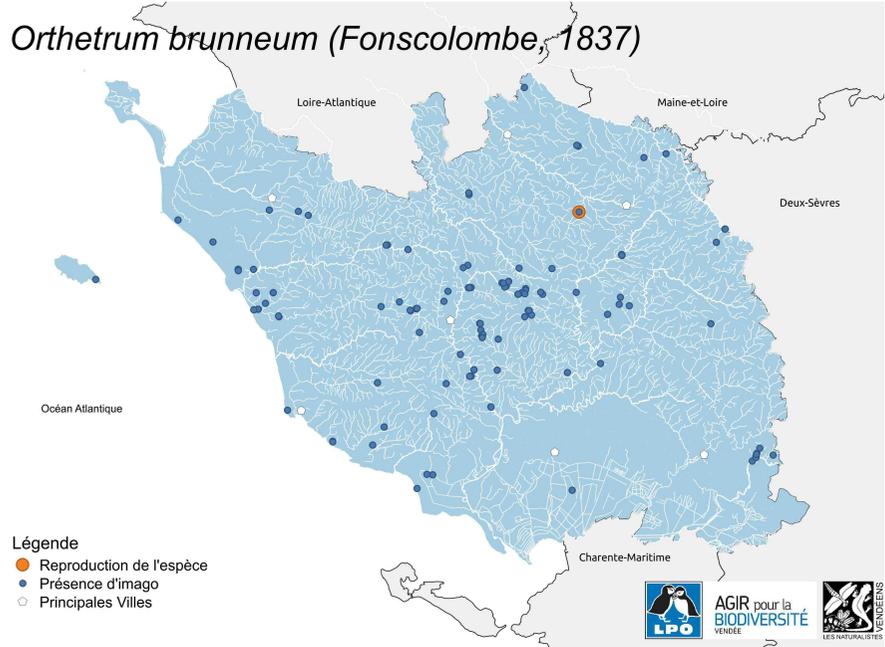

Libellula quadrimaculata Linné, 1758

Orthetrum albistylum (Selys, 1848)

Libellulidae - Orthetrum Sympetrum

Libellulidae - Sympetrum
